SUMMER 2021 PRIDE BAND NEWSLETTER

Dear PRIDE Band,

I hope that everyone is having a great summer. If you are reading this, it can only mean one thing - preparations for the 2021 marching season are in full gear! I want to encourage everyone to take some time to carefully read all of the information contained within this summer newsletter. Please share this information, especially our performance calendar, with your family and friends. You will notice that we have a schedule filled with wonderful performance opportunities, including exhibition performances at Ozarko, Nixa, northwest Arkansas, and San Antonio!!! We were also recently invited to participate in the bicentennial parade for the state of Missouri. All of these performances, in addition to our performances at our Bears home football games, will be great exposure for our program and all of Missouri State.

To our returning members, it is your hard work and dedication that continue to raise the bar and allow us to achieve our performance goals. This year is going to be exciting, and I am thrilled that you have chosen to continue this amazing journey.

To our new members, you are now part of an organization that will shape the rest of your life. The bonds that you make, and the life lessons you will learn will transform who you are as a person. Our veteran members are eager to meet you and to begin showing you what it takes to be a Pride Band member.

At this point, everyone should have the link to their section's music and audio files. Check these links weekly for any updates. We want every member of the band to arrive at camp in good playing shape and ready to go!

Our directors, senior staff, junior staff, and our entire leadership team are ready to celebrate our full return to campus! Together, we will set the standard for all future generations of the Pride Band!!!

If you have any questions, please do not hesitate to contact us.

Go Bears!

Dr. Brad Snow

Director of Athletic Bands

FROM THE DRUM MAJORS...

Hello! The 2021 Marching Season is quickly approaching, and we are overjoyed to welcome back both veteran marchers as well as new members to be a part of the PRIDE Band!

The PRIDE Band has worked together through many of our best and toughest times as a family, and we know with absolute confidence that you will find your place among our expansive community. It is our hope that you find a sense of pride and accomplishment this coming season, as many have before you.

Our community is comprised of over 300 members originating from a large variety of backgrounds, making it a home for everybody. The memories we make and the moments we share with our fellow bandsmen will be cherished long after our marching days are over, and together we can make this next season unforgettable!

We look forward to another season of hard work and dedication as we continue to uphold our traditions and break new ground together. To our vets, we cannot wait to welcome you back with open arms as we demonstrate what makes the PRIDE Band amazing, and to the rookies we are so excited for you to join our family and take the first steps towards a prosperous future!

This next year will be full of new opportunities and adventures that will bring us together more than ever. We look forward to seeing you all on campus in August! Go Bears!

Your Drum Majors - - Carson Hewit, Katie Johnson,
Bryan Paat, Melissa Tate

CAMP TIPS & REHEARSAL ATTIRE

1. Pack camp clothes separate from the clothes you bring for fall, so you don't have to unpack everything at once.
2. Bring comfortable clothes for rehearsals (shorts, t-shirts, etc.) and plan to protect yourself from the hot sun. Ball caps, visors, sunscreen, sunglasses are a must. We encourage light-colored clothing when rehearsing outside.
3. Tennis shoes are to be worn at all times. Flip-flops, sandals, dress shoes, boots, bare feet, etc. will not be allowed at any time during marching rehearsal.
4. Arrive at camp READY TO PLAY! Be sure to practice daily the week prior to your arrival to camp. You must be in good physical condition for camp and have your "chops" up, or you will experience a great deal of discomfort throughout camp. Color Guard: Practice on your equipment prior to camp so your muscles are ready and your stamina is strong.
5. A full tank-top or full t-shirt is acceptable for rehearsals. Sports bras, bikini tops, tube tops, etc. are not considered appropriate.
6. The cut of pants/shorts should be high in the waist. The length of shorts should be appropriate and conducive to physical activity.
7. Make sure you have a portable charger on you at all times. We will be utilizing Ultimate Drill Book for all of our drill charts and coordinates, and the Flip Folder App for music. You need to make sure that your phone is always charged in order to access music and drill materials.
8. Each member of the band is expected to provide their own water bottle/jug for all outdoor rehearsals. Please have your name written on your water bottle.

PLANNING YOUR FINANCES

1. You will be billed by the University for the Band Camp / Travel Assessment in the amount of \$450. This one-time figure pays for:
 - * warm weather uniform (shirt / shorts / belt / ball cap / marching shoes)
 - * uniform maintenance and repair
 - * some meals during camp
 - * end-of-season banquet
 - * travel
 - * instrument / equipment usage fee
2. Color Guard members will be billed an additional \$160 to cover the cost of the fall costume and necessary equipment.
3. Drumline (battery and front ensemble) will be billed an additional \$60 to help cover the cost of practice and performance mallets, sticks and head replacements.
4. Lockers may be rented in Wehr Band Hall for \$20 per semester. It is strongly encouraged that all university-owned instruments be kept in lockers.

COVID UPDATES

RESPONSE / MASKING / VACCINATIONS / TESTING / MITIGATION (as it relates to Band)

The band program will continue to follow all university guidelines and policies. For the latest COVID-19 information at MSU, please refer to: [Missouristate.edu/coronavirus](https://missouristate.edu/coronavirus)

Masking

At the present time, there is no masking policy on campus. We encourage individuals who feel more comfortable or are unvaccinated to wear a mask, although masking is no longer required.

Vaccinations

Band members are not required to be vaccinated.

Band members who are vaccinated should provide the band office with a copy of his/her vaccination card as we are required to have "date of last dose" on file in the event a booster is required.

- Benefits of being Vaccinated:
 - arrive for band camp without a pre-test
 - band travel without a pre-test or post-travel test
 - band travel without quarantining after travel
 - if you have been exposed to someone who has COVID-19, you do not need to quarantine or get tested unless you develop symptoms
- Implications of not being Vaccinated:
 - unvaccinated band members will be required to provide a negative COVID-19 antigen or PCR test upon arrival at camp, taken no earlier than three days prior, OR take a rapid test at Wehr Band Hall on Monday morning August 16, before being allowed to start camp (if you check into the residence halls on Sunday, August 15, your testing will be conducted at that time)
 - unvaccinated bandsmen will be required to take a COVID test (with negative result) before any fall season travel, which includes all three off-campus performance events listed on the fall performance schedule.

MAKE THIS YOUR BEST YEAR EVER!

When students enter college they tend to believe that everyone graduates, but more often than not it takes more than four years, and many individuals do not complete a degree program. We are here to help you. College is serious business but it is worth the effort. So, prepare yourself for success by doing the following:

- Set appropriate goals.
- Balance your class load - - 12-15 hours is a full load.
- Wait to join a fraternity or sorority until you've become acclimated to college life.
- Limit or eliminate employment obligations.
- Make healthy choices - take care of yourself.
- Don't drink! Alcohol robs you of your initiative and is harmful to your health.
- Sleep 8 hours each night (staying up too late takes a toll).
- GO TO CLASS! Regular attendance pays off. Make friends with classmates.
- Keep up with homework! Don't procrastinate.
- Expect to study. Grades follow you forever.
- Practice! Daily practice will move you ahead musically.
- Communication is key. Don't hesitate to meet with the instructor.
- Keep track of your obligations - - performances, exams, class projects, etc.
- Live on a budget. Debt accumulates quickly when you are on your own.
- Remember: SCHOOL COMES FIRST! This is the time to educate yourself for a brilliant career.
- Be positive. Positive people live longer, feel better and are more pleasant to be around.
- Be a responsible adult. Honor the commitments you have taken on.
- Embrace a strong work ethic.
- Demand self-discipline of yourself. Only you will know your "true self." You make your own decisions. Be someone you can be proud of. WORK AT IT!
- Nurture a foundation of faith. Students often starve themselves spiritually during their college years. A strong faith base will serve you well in the college community and throughout your life.
- Live a "life of promise" on campus to assure a good life after graduation.

ENTERTAINMENT BANDS & PEP BANDS

Auditions for these groups take place during band camp. Audition music will consist of the Fight Song and basic scales. (Optional Course Registration for Bear Mania members: MUS 175 / 375, Section 1 (CRN 56731 / 57160).)

DRUM CORPS MEMBERS

Please notify the band office (417-836-5454 / bands@missouristate.edu) if you are marching with a drum corps this summer. All drum corps members are expected to be at band camp immediately upon completion of DCI finals.
