Curricular Proposal Disposition 2024-2025
December 2024

The following proposals have been fully approved through the internal Missouri State University curricular process as outlined by the Constitution and Bylaws of Faculty Senate.

- All curricular decisions will be reflected in the 2025-2026 catalogs published May 2025.
- The effective term for program changes indicates when those changes will affect student degree requirements; students admitted prior to that effective term will not be automatically impacted by the changes.
- The effective term for new programs indicates when the new program will be available for students to select during admission processes or when continuing students may change to/add that new program.
- The effective term for courses indicates when course updates will affect the class schedule, ahead of that term's registration cycle.
- Pending approval of MDHEWD notes will be added to all new programs/options that require state approval, as well as deleted programs/options and program/option title changes. New programs/options will not be implemented prior to full state approval.
- Proposals may be reviewed in Curriculog via Curriculum Support.

Curricular Proposal Disposition 2024-2025
February 2025 (Addendum 1)

The following proposals have been fully approved through the internal Missouri State University curricular process as outlined by the Constitution and Bylaws of Faculty Senate.

- All curricular decisions will be reflected in the 2025-2026 catalogs published May 2025.
- The effective term for program changes indicates when those changes will affect student degree requirements; students admitted prior to that effective term will not be automatically impacted by the changes.
- The effective term for new programs indicates when the new program will be available for students to select during admission processes or when continuing students may change to/add that new program.
- The effective term for courses indicates when course updates will affect the class schedule, ahead of that term's registration cycle.
- Pending approval of MDHEWD notes will be added to all new programs/options that require state approval, as well as deleted programs/options and program/option title changes. New programs/options will not be implemented prior to full state approval. All certificates require MDHEWD approval, but faculty must only provide the application form itself for new certificates over 18 credit hours.
- Proposals may be reviewed in Curriculog via Curriculum Support.

Curricular Proposal Disposition 2024-2025
May 2025

The following proposals have been fully approved through the internal Missouri State University curricular process as outlined by the Constitution and Bylaws of Faculty Senate.

- All curricular decisions will be reflected in the 2025-2026 catalogs published May 2025.
- The effective term for program changes indicates when those changes will affect student degree requirements; students admitted prior to that effective term will not be automatically impacted by the changes.
- The effective term for new programs indicates when the new program will be available for students to select during admission processes or when continuing students may change to/add that new program.
- The effective term for courses indicates when course updates will affect the class schedule, ahead of that term's registration cycle.
- Pending approval of MDHEWD notes will be added to all new programs/options that require state approval, as well as deleted programs/options and program/option title changes. New programs/options will not be implemented prior to full state approval.
- Proposals may be reviewed in Curriculog via Curriculum Support.
