Welcome

To our Graduates, Family and Friends:

Congratulations on reaching this important moment. Having completed your college experience in a world gripped by pandemic, you have undoubtedly overcome substantial obstacles to get here. You are resilient. I am proud of you as are the many family and friends gathered to recognize you on this special day.

You now stand at the precipice of the next chapter in your life. The whole world stretches before you. Anything is possible.

Your path from this moment will undoubtedly take unexpected detours. I hope you will allow the lessons learned in and out of the classroom to guide you as you move onward and upward, making your Missouri Statement.

You have invested years learning Missouri State's public affairs mission. It is my greatest hope that you will put that learning into practice; that you will be culturally competent, ethical leaders who are actively engaged in your communities, wherever they may be. I am confident that you will make your university community proud.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the country's best universities. I share your pride and excitement. Your degree—and the skills and experience you acquired while at Missouri State—will serve you well in your careers and lives.

It has been a privilege to have you as part of our community, and Missouri State is better for your time and efforts here. As you take this next step, your involvement at Missouri State is not ending. In many ways, it is just beginning as you transition from being a student to an alumnus. I hope you express pride in your alma mater and come back to visit us on campus.

Good luck, best wishes, and Go Bears!

A handwritten signature in blue ink that reads "Clif Smart III". The signature is written in a cursive, flowing style.

Clif Smart
President

Order of Service

PROCESSIONAL*

Pomp and Circumstance Elgar, arr. Fischer

NATIONAL ANTHEM*

Star Spangled Banner Traditional

COMMENCEMENT ADDRESS

Mr. Clifton M. Smart III

President

Missouri State University

PRESENTATION OF DEGREE RECIPIENTS

Dr. Frank A. Einhellig

Provost

Missouri State University

CONFERRING OF DEGREES

Citizen Scholar Award Recipients 2019-2020

The Board of Governors' Citizen Scholar Award annually recognizes six full-time students who have made significant accomplishments while enrolled at one of the campuses at Missouri State University. Preference will be given to upper class students who have contributed to the University, advanced the University's public affairs mission, have been significantly engaged in extra-curricular accomplishments, and/or in significant service activities in the community.

SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: summa cum laude, gold; magna cum laude, silver; cum laude, maroon.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program are based on Missouri University of Science and Technology scholastic honors requirements. The Missouri University of Science and Technology does not use honors cordons for scholastic honors recognition.

VETERANS RECOGNITION

Graduation candidates who have served or will serve in the United States military are identified with a red, white and blue cordon.

Commencement Speaker

PRESIDENT CLIFTON M. SMART III

Clifton "Clif" M. Smart III has served as the 11th president of Missouri State University since June 27, 2011. Under Smart's leadership, the university has:

- Set new records in numbers of graduates, graduate employment rates, and overall enrollment
- Enhanced diversity of faculty, staff, and students
- Maintained affordability for students
- Significantly upgraded campus facilities
- Developed new bachelor's, master's and doctoral degree programs
- Achieved a Silver STARS rating from the Association for the Advancement of Sustainability in Higher Education
- Set records in state appropriations, private gifts and grant funding

In recent years, Smart has served as the president of the Council on Public Higher Education in Missouri, on the NCAA Division I Board of Directors, on the Mercy Health Springfield Communities Board of Directors, on the Board of Directors for the Hawthorn Foundation, and on the Board of Directors for Missouri Partnership. He has also served on boards and committees for the Missouri Department of Higher Education, Springfield Area Chamber of Commerce, CoxHealth, Arc of the Ozarks, Springfield Innovations, Inc., Isabel's House, First Baptist Church and numerous other professional and community organizations.

Smart has lived in Springfield, Missouri for more than two decades. Before his presidency, Smart served as the university's general counsel. Before coming to Missouri State University, Smart had a private legal practice in Springfield.

Smart and his wife, Gail, have two sons: Murray, who along with his wife, Amy, both graduated in 2012 from Southwest Baptist University and live in Rogers, Arkansas with their daughters Addy, Emery and Miriam and sons Parker and Leeland; and Jim, who recently graduated from Lewis and Clark Law School.

The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

The Gown. At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

The Hood. Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Arts and Letters.....	White
Theology.....	Scarlet
Laws.....	Purple
Medicine.....	Green
Music.....	Pink
Engineering.....	Orange
Library Science.....	Lemon
Philosophy.....	Dark Blue
Science.....	Gold-Yellow
Fine Arts.....	Brown
Education.....	Light Blue
Economics.....	Copper
Physical Education.....	Sage Green
Business.....	Drab
Agriculture.....	Maize
Nursing.....	Apricot
Public Administration.....	Peacock Blue

The Cap. At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

PHOTOGRAPHS

In respect for the dignity of the commencement program, and in accordance with the fire codes, we ask individuals to remain at their seats during the commencement program. Photographers representing the news media will be permitted on the arena floor prior to the presentation of the candidates. Lifetouch Special Events Photography is pleased to provide this complimentary service for each graduate who crosses the dais during the commencement ceremony. Go to <https://events.lifetouch.com/missouristate> for information about commencement photographs. A link to commencement photograph proofs will also be sent to participating graduates via e-mail. Any questions can be addressed to specialevents@lifetouch.com, 800-505-9496, Monday – Friday 8:00am – 6:00pm EST, or via the web site <http://events.lifetouch.com/about/contactus.aspx>.

Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Bachelor of Science* degree is designed to permit a high degree of specialization in one or more fields.

The *Bachelor of Science in Athletic Training* degree is designed to prepare athletic trainers for professional responsibilities and leadership roles in athletic training.

The *Bachelor of Science in Education* degree is designed for the training of teachers.

The *Bachelor of Science in Nursing* degree is designed to prepare registered students to work in any health care setting and to prepare registered nurses for leadership roles in health care facilities.

The *Bachelor of Social Work* degree is designed to prepare professional social workers for generalist practice in the human services, supporting the values of individual self-determination and social justice.

The *Master of Accountancy* degree is designed to prepare graduates for the professional practice of accountancy.

The *Master of Applied Second Language Acquisition* degree provides a solid foundation in second language acquisition theory and practice and qualifies graduates to teach English and other languages in a variety of settings in the United States and abroad.

The *Master of Arts* degree is designed to provide intensive study in the subject matter of an academic field beyond the baccalaureate level and in preparation for study toward the doctorate degree.

The *Master of Arts in Teaching* degree is designed to provide Missouri teacher certification and a graduate degree for qualified students.

The *Master of Arts in Teaching and Learning* degree is designed to help individual teachers improve their teaching, while aiding whole school communities with identifying and responding to the needs or problems in their schools and communities.

The *Master of Athletic Training* degree is a professional degree designed to prepare students to become certified athletic trainers and function as health care providers within an evolving health care delivery system.

The *Master of Business Administration* degree is designed to prepare graduates with expertise in serving the business community, teaching in higher education, or continuing in advanced study.

The *Master of Fine Arts* degree is designed to prepare graduates to be cultural leaders in the fields of visual art and design.

The *Master of Global Studies* degree is designed to meet growing societal, occupational, and student needs and demands for persons educated and knowledgeable in international affairs.

The *Master of Health Administration* degree is designed to provide advanced studies for graduates who wish to further their careers in the administration of health organizations.

The *Master of Music* degree is designed to prepare graduates for professional careers in music.

The *Master of Natural and Applied Science* degree is designed to provide those working in an environment where scientific knowledge is a priority the opportunity to expand their knowledge and experiences consistent with their professional goals and objectives.

The *Master of Occupational Therapy* degree is designed to prepare graduates to enter the profession of occupational therapy.

The *Master of Professional Studies* degree is designed to meet the needs of individuals who are seeking professional growth and advancement within their vocations.

The *Master of Public Administration* degree is designed to prepare graduates with expertise in serving as administrators in public and private non-profit agencies.

The *Master of Public Health* degree is designed to prepare graduates to be practitioners, administrators, researchers, educators, and consultants in a wide variety of public health settings.

The *Master of Science* degree is designed to provide intensive study in the subject matter beyond the baccalaureate level as related to professional interest and applicability.

The *Master of Science in Education* degree is designed for advanced study beyond the baccalaureate level for teachers and educators.

The *Master of Science in Nursing* degree is designed to prepare registered nurses for advanced professional responsibilities and leadership roles in health care.

The *Master of Social Work* degree is designed to prepare professionals for advanced social work practice, program/policy planning, and evaluation roles.

The *Specialist in Education* degree is a graduate program designed to prepare graduates to be superintendents or principals in the public schools.

The *Doctor of Audiology* degree is designed to prepare professionals to enter the workplace with a high level of skills and knowledge through intensive academic and clinical experiences.

The *Doctor of Nurse Anesthesia Practice* degree is designed to provide the scientific foundation and clinical training that prepares graduates to be certified registered nurse anesthetists.

The *Doctor of Nursing Practice* degree is designed to prepare advanced practice nurses at the highest clinical level.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

Scholarships

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.
