## *Welcome*

**T**o our Graduates, Family and Friends:

Congratulations on reaching this important moment. Having completed your college experience in a world gripped by pandemic, you have undoubtedly overcome substantial obstacles to get here. You are resilient. I am proud of you as are the many family and friends gathered to recognize you on this special day.

You now stand at the precipice of the next chapter in your life. The whole world stretches before you. Anything is possible.

Your path from this moment will undoubtedly take unexpected detours. I hope you will allow the lessons learned in and out of the classroom to guide you as you move onward and upward, making your Missouri Statement.

You have invested years learning Missouri State's public affairs mission. It is my greatest hope that you will put that learning into practice; that you will be culturally competent, ethical leaders who are actively engaged in your communities, wherever they may be. I am confident that you will make your university community proud.

Today's ceremony celebrates your considerable accomplishment in completing a degree program at one of the country's best universities. I share your pride and excitement. Your degree — and the skills and experience you acquired while at Missouri State — will serve you well in your careers and lives.

It has been a privilege to have you as part of our community, and Missouri State is better for your time and efforts here. As you take this next step, your involvement at Missouri State is not ending. In many ways, it is just beginning as you transition from being a student to an alumnus. I hope you express pride in your alma mater and come back to visit us on campus.

Good luck, best wishes, and Go Bears!

A handwritten signature in blue ink that reads "Clif Smart III". The signature is written in a cursive style with a horizontal line at the end.

## SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, maroon.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program are based on Missouri University of Science and Technology scholastic honors requirements. The Missouri University of Science and Technology does not use honors cordons for scholastic honors recognition.

**CLAY GODDARD**

SENIOR DIRECTOR OF PUBLIC HEALTH TRANSFORMATION  
MISSOURI FOUNDATION FOR HEALTH

**C**lay Goddard, MPA, is the senior director of public health transformation for the Missouri Foundation for Health. His current role is focused on improving the public health system in Missouri. He joined MFH this year after serving for 25 years with the Springfield-Greene County Health Department, most recently as department director. His accomplishments include leading the department to earn national accreditation, achieving passage of a Tobacco21 ordinance, and successfully completing regional health and community mental health assessments. Clay holds a Bachelor of Science degree and a Master of Public Administration degree from Missouri State University.

## *Bronze Bear Award*

### **TIM REYNOLDS AND JUDITH ENYEART REYNOLDS**

**T**im Reynolds and Judith Enyeart Reynolds met at Missouri State University. Tim graduated with a bachelor's degree in education in 1972 and a master's degree in 1974. He worked at Springfield Public Schools as a drama teacher until his retirement. Judy attended Missouri State and worked in the English department from 1966 until her retirement in 1994.

The Reynolds family has financially supported MSU for many years. This includes giving to the university's public broadcasting services, as well as academic programs in the McQueary College of Health and Human Services.

In 2020, the Reynolds family and the C.W. Titus Foundation made a significant gift to support the College of Arts and Letters and a new arts park. Because of this significant gift, more than 60 students will receive a full tuition scholarship each year. In recognition, Missouri State University has named the college the Judith Enyeart Reynolds College of Arts and Letters.

## The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States the colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

*The Gown.* At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

*The Hood.* Hoods are not worn for the bachelor's degree. The master's hood is shorter than the doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

|                            |              |
|----------------------------|--------------|
| Arts and Letters.....      | White        |
| Theology.....              | Scarlet      |
| Laws.....                  | Purple       |
| Medicine.....              | Green        |
| Music.....                 | Pink         |
| Engineering.....           | Orange       |
| Library Science.....       | Lemon        |
| Philosophy.....            | Dark Blue    |
| Science.....               | Gold-Yellow  |
| Fine Arts.....             | Brown        |
| Education.....             | Light Blue   |
| Economics.....             | Copper       |
| Physical Education.....    | Sage Green   |
| Business.....              | Drab         |
| Agriculture.....           | Maize        |
| Nursing.....               | Apricot      |
| Public Administration..... | Peacock Blue |

*The Cap.* At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

## Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Master of Art Education degree* is designed to provide artists, art teachers, and art education students an opportunity to upgrade their preparation in both professional education and subject matter areas appropriate to their teaching fields.

The *Master of Arts* degree is designed to provide intensive study in the subject matter of an academic field beyond the baccalaureate level and in preparation for study toward the doctorate degree.

The *Master of Arts in Teaching* degree is designed to provide Missouri teacher certification and a graduate degree for qualified students.

The *Master of Arts in Teaching and Learning* degree is designed to help individual teachers improve their teaching, while aiding whole school communities with identifying and responding to the needs or problems in their schools and communities.

The *Master of Athletic Training* degree is a professional degree designed to prepare students to become certified athletic trainers and function as health care providers within an evolving health care delivery system.

The *Master of Business Administration* degree is designed to prepare graduates with expertise in serving the business community, teaching in higher education, or continuing in advanced study.

The *Master of Fine Arts* degree is designed to prepare graduates to be cultural leaders in the fields of visual art and design.

The *Master of Global Studies* degree is designed to meet growing societal, occupational, and student needs and demands for persons educated and knowledgeable in international affairs.

The *Master of Health Administration* degree is designed to provide advanced studies for graduates who wish to further their careers in the administration of health organizations.

The *Master of Music* degree is designed to prepare graduates for professional careers in music.

The *Master of Natural and Applied Science* degree is designed to provide those working in an environment where scientific knowledge is a priority the opportunity to expand their knowledge and experiences consistent with their professional goals and objectives.

The *Master of Occupational Therapy* degree is designed to prepare graduates to enter the profession of occupational therapy.

The *Master of Professional Studies* degree is designed to meet the needs of individuals who are seeking professional growth and advancement within their vocations.

The *Master of Public Administration* degree is designed to prepare graduates with expertise in serving as administrators in public and private non-profit agencies.

The *Master of Public Health* degree is designed to prepare graduates to be practitioners, administrators, researchers, educators, and consultants in a wide variety of public health settings.

The *Master of Science* degree is designed to provide intensive study in the subject matter beyond the baccalaureate level as related to professional interest and applicability.

The *Master of Science in Education* degree is designed for advanced study beyond the baccalaureate level for teachers and educators.

The *Master of Science in Nursing* degree is designed to prepare registered nurses for advanced professional responsibilities and leadership roles in health care.

The *Master of Social Work* degree is designed to prepare professionals for advanced social work practice, program/policy planning, and evaluation roles.

The *Specialist in Education* degree is a graduate program designed to prepare graduates to be superintendents or principals in the public schools.

The *Doctor of Audiology* degree is designed to prepare professionals to enter the workplace with a high level of skills and knowledge through intensive academic and clinical experiences.

The *Doctor of Defense and Strategic Studies* is designed to provide knowledge and skills in the field of international security studies.

The *Doctor of Nurse Anesthesia Practice* degree is designed to provide the scientific foundation and clinical training that prepares graduates to be certified registered nurse anesthetists.

The *Doctor of Nursing Practice* degree is designed to prepare advanced practice nurses at the highest clinical level.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

## ***Scholarships***

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.

## **PHOTOGRAPHS**

In respect for the dignity of the commencement program, and in accordance with the fire codes, we ask individuals to remain at their seats during the commencement program. Photographers representing the news media will be permitted on the arena floor prior to the presentation of the candidates. The Grad Team graduation photography is pleased to provide this complimentary service for each graduate who crosses the dais during the commencement ceremony. Go to <http://thegradteam.com/events/> for information about commencement photographs. A link to commencement photograph proofs will also be sent to participating graduates via e-mail. Any questions can be addressed to [gradteam@thegradteam.com](mailto:gradteam@thegradteam.com), 833-4MY-GRAD Monday – Friday 8:00am – 6:00pm EST, or via the Web site <http://thegradteam.com/contact/>.
