## *Welcome*

**D**ear graduates, families and friends,  
Congratulations on this milestone. Your dedication, hard work and resilience brought you to this moment, and we are proud to celebrate with you.

As you step into what comes next, it is my hope you will carry forward the lessons you learned in classrooms, labs, studios and the community. Make your Missouri Statement in every setting. Lead with integrity, respect and curiosity. Engage across cultures. Serve your communities. These are the pillars of our public affairs mission and the mark of a Missouri State education.

Our strategic plan, Igniting Opportunity, calls us to connect learning with purpose and careers. You are ready. You have built skills that matter to employers and to society. Think critically. Communicate clearly. Collaborate well. Keep learning.

Wherever you go, you remain part of the Missouri State family. Stay connected to your alma mater. Share your story, mentor a student, come back for events and cheer on the Bears. Your involvement strengthens the generation to come.

Thank you for trusting us with your education. It has been a privilege to have you as a Bear. I look forward to the impact you will make in the years ahead.

Once again, congratulations, and Go Bears!

Dr. Richard "Biff" Williams  
President

**SANDY CRAWFORD**

SENATOR, STATE OF MISSOURI

**A** lifelong resident of Dallas County, Crawford served in the Missouri House of Representatives from 2010-17 following a 30-year banking career. In August 2017, she was elected to the Missouri Senate and has served in that role since.

In the Senate, she has championed legislation across a wide spectrum, including agriculture, banking, education, local government and elections.

Crawford's support for Missouri State is among her key educational priorities. Her efforts include:

- This year, she carried House Bill 419 in the Senate – the first measure passed this session to include language authorizing Missouri State to offer PhD degrees.
- While serving on the Senate Appropriations Committee since 2021, she advocated for significant appropriations for Missouri State. Among them are:
  - Over \$40 million for the Roy Blunt Hall addition and renovation
  - \$17.5 million for renovations of the Judith Enyeart Reynolds Complex
  - \$7.5 million for the Neurodiversity and Autism Center at MSU-West Plains
  - \$4 million for faculty improvements at William H. Darr College of Agriculture

A Missouri State alumna, Crawford received her bachelor's degree in finance in 1995. She is also a 1998 graduate of the Graduate School of Banking at Colorado.

*Presentaion of Bronze Bear Award – 1:30 p.m.*

**BILL ROWE**

**DIRECTOR OF ATHLETICS EMERITUS, MISSOURI STATE UNIVERSITY**

**R**owe retired from Missouri State in 2009 after 52 years in service to the institution. He entered MSU as a freshman in 1957 and capped a career in which he served as head baseball coach and athletics business manager for 19 years before taking over as director of athletics in 1982 upon the school's move to NCAA Division I status. Notably, his AD tenure matched the longest in school history and his work was vital in making Missouri State a charter member of the Association of Mid-Continent Universities when that league was founded in 1982. He later spearheaded the effort for MSU's invitation to join the Missouri Valley Conference in 1990.

Rowe received Missouri State's Lifetime Achievement Award in 2008. He also earned an MSU Outstanding Alumnus Award in 1988 and was placed on the institution's Wall of Fame in 2015. He was the 2004 recipient of the MVC's John Sanders Spirit of the Valley Award and is a member of six Halls of Fame, including the Missouri State Athletics Hall of Fame, Missouri Valley Conference Hall of Fame, American Association of Baseball Coaches Hall of Fame, National Association of College Directors of Athletics Hall of Fame, Missouri Sports Hall of Fame and Springfield Area Sports Hall of Fame. In May 2016, Rowe was honored as the 34th person to become a Missouri Sports Legend by Missouri Sports Hall of Fame.

Rowe was the first person to have his MSU baseball jersey retired, and the indoor training facility at Missouri State's Hammons Field is named the Bill Rowe Training Center.

As head baseball coach, he took seven Bears' teams to the NCAA Division II Tournament, including four that reached the Division II World Series. He also produced the Bears' first two Major League players and had four-year terms on NCAA championship committees for baseball and football, while also serving as chair of the NCAA Baseball Rules Committee.

MSU teams won nearly 100 conference regular-season and tournament championships in his years as AD, with some 50 postseason team appearances and more than 80 individual NCAA qualifiers. Rowe's continuous work with fundraising and facility upgrades included improvements to nearly every sport venue and support facility. His longtime relationship with John Q. Hammons was instrumental with the planning and construction of Hammons Field, which is home to the baseball Bears. This culminated with his work on the 11,000-seat Great Southern Bank Arena, which opened in 2018.

# Degrees with Honors

## THE HONORS COLLEGE

Some undergraduate students have chosen to pursue a more rigorous academic path and are recognized by a royal blue stole. A number of these students may also have completed departmental honors, and their major distinctions are noted below.

Meghan Kelly Anderson  
Skylar Faith Andreasen  
*with distinction in Biomedical  
Science*  
Mayeen Hasan Choudhury  
Cailee Madison Combs  
Molly Elizabeth Fortner  
*with distinction in Nursing*

Alyssa Grace Roney  
Cooper Jayce Sago  
*with distinction in Design*  
Olivia Keating Slaughter  
*with distinction in Nursing*  
Ragan Jane Winegard  
Sarah N. Wood

## SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

*Summa cum laude* (with highest honor) for those who have a grade point average of at least 3.90.

*Magna cum laude* (with great honor) for those who have a grade point average between 3.75 and 3.89.

*Cum laude* (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester are issued an honors cordon to wear with their regalia at commencement. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; and *cum laude*, bronze. The final eligibility for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation and are recorded on the University diploma and transcript.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program is based on Missouri University of Science and Technology scholastic honors requirements.

## The Academic Dress

The history of academic dress goes back to the medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States, colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

*The Gown.* At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

*The Hood.* Hoods are not worn for the bachelor's degree. The master's hood is shorter than the specialist and doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Audiology.....	Apricot
Arts.....	White
Athletic Training.....	Sage Green
Business.....	Drab
Defense & Strategic Studies.....	Gold
Education.....	Light Blue
Fine Arts.....	Brown
Music.....	Pink
Nursing.....	Apricot
Nurse Anesthesia.....	Gold
Occupational Therapy.....	Delpha Blue
Physical Therapy.....	Emerald Teal
Physician Assistant Studies.....	Kelly Green
Public Administration.....	Peacock Blue
Science.....	Gold-Yellow
Social Work.....	Citron
Specialist.....	Light Blue

*The Cap.* At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.

## Degrees Conferred

The University, under the authority of state law, confers the following degrees:

The *Bachelor of Applied Science* degree provides graduates of associate programs the opportunity to enhance and expand their general education and technical core competencies.

The *Bachelor of Arts* degree is designed to give a student a broad background in the liberal arts.

The *Bachelor of Fine Arts* degree is designed to provide sufficient training and experience so that the holder of the degree is qualified for professional work and/or graduate study in the fields of art or theatre.

The *Bachelor of General Studies* degree provides an interdisciplinary degree for students with broad interests and capabilities rather than a focused area of specialization.

The *Bachelor of Music* degree is designed to prepare a student for graduate study and/or as a performing artist and/or as a private teacher in the field of music.

The *Bachelor of Music Education* degree is designed for the training of music teachers.

The *Bachelor of Science* degree is designed to permit a high degree of specialization in one or more fields.

The *Bachelor of Science in Athletic Training* degree is designed to prepare athletic trainers for professional responsibilities and leadership roles in athletic training.

The *Bachelor of Science in Education* degree is designed for the training of teachers.

The *Bachelor of Science in Nursing* degree is designed to prepare students to work in any healthcare setting and to prepare registered nurses for leadership roles in healthcare facilities.

The *Bachelor of Social Work* degree is designed to prepare professional social workers for generalist practice in the human services, supporting the values of individual self-determination and social justice.

The *Master of Accountancy* degree is designed to prepare graduates for the professional practice of accountancy.

The *Master of Applied Second Language Acquisition* degree provides a solid foundation in second language acquisition theory and practice and qualifies graduates to teach English and other languages in a variety of settings in the United States and abroad.

The *Master of Art Education* degree is designed to provide artists, art teachers, and art education students an opportunity to upgrade their preparation in both professional education and subject matter areas appropriate to their teaching fields.

The *Master of Arts* degree is designed to provide intensive study in the subject matter of an academic field beyond the baccalaureate level and in preparation for study toward the doctorate degree.

The *Master of Arts in Teaching* degree is designed to provide Missouri teacher certification and a graduate degree for qualified students.

The *Master of Arts in Teaching and Learning* degree is designed to help individual teachers improve their teaching, while aiding whole school communities with identifying and responding to the needs or problems in their schools and communities.

The *Master of Athletic Training* degree is a professional degree designed to prepare students to become certified athletic trainers and function as healthcare providers within an evolving healthcare delivery system.

The *Master of Business Administration* degree is designed to prepare graduates with expertise in serving the business community, teaching in higher education, or continuing in advanced study.

The *Master of Fine Arts* degree is designed to prepare graduates to be cultural leaders in the fields of visual art and design.

The *Master of Health Administration* degree is designed to provide advanced studies for graduates who wish to further their careers in the administration of health organizations.

The *Master of International Affairs* degree is designed to prepare students for internationally oriented careers in the public, private, and non-profit sections.

The *Master of Music* degree is designed to prepare graduates for professional careers in music.

The *Master of Natural and Applied Science* degree is designed to provide those working in an environment where scientific knowledge is a priority the opportunity to expand their knowledge and experiences consistent with their professional goals and objectives.

The *Master of Occupational Therapy* degree is designed to prepare graduates to enter the profession of occupational therapy.

The *Master of Professional Studies* degree is designed to meet the needs of individuals who are seeking professional growth and advancement within their vocations.

The *Master of Public Administration* degree is designed to prepare graduates with expertise in serving as administrators in public and private non-profit agencies.

The *Master of Public Health* degree is designed to prepare graduates to be practitioners, administrators, researchers, educators, and consultants in a wide variety of public health settings.

The *Master of Science* degree is designed to provide intensive study in the subject matter beyond the baccalaureate level as related to professional interest and applicability.

The *Master of Science in Education* degree is designed for advanced study beyond the baccalaureate level for teachers and educators.

The *Master of Science in Nursing* degree is designed to prepare registered nurses for advanced professional responsibilities and leadership roles in health care.

The *Master of Social Work* degree is designed to prepare professionals for advanced social work practice, program/policy planning, and evaluation roles.

The *Specialist in Education* degree is a graduate program designed to prepare graduates to be superintendents or principals in the public schools.

The *Doctor of Audiology* degree is designed to prepare professionals to enter the workplace with a high level of skills and knowledge through intensive academic and clinical experiences.

The *Doctor of Defense and Strategic Studies* is designed to provide knowledge and skills in the field of international security studies.

The *Doctor of Education in Leadership, Learning, and Educational Change* is designed to develop educators who aspire to assume leadership roles within educational organizations.

The *Doctor of Nurse Anesthesia Practice* degree is designed to provide the scientific foundation and clinical training that prepares graduates to be certified registered nurse anesthetists.

The *Doctor of Nursing Practice* degree is designed to prepare advanced practice nurses at the highest clinical level.

The *Doctor of Occupational Therapy* degree is designed to provide post-professional graduate education opportunities for currently practicing occupational therapists.

The *Doctor of Physical Therapy* degree is designed to prepare graduates to enter the profession of physical therapy.

The *Doctor of Psychology* degree is designed to train and develop clinical psychologists to meet the immense mental health challenges that our communities experience today and will continue to face in the future.

## *Scholarships*

The Missouri State University faculty and staff take pride in recognizing the members of the graduating class who have distinguished themselves by their academic achievement and leadership. Many members of the graduating class earned academic or performance scholarships as undergraduates. Funding for many of these scholarships is made possible by alumni and friends of Missouri State University.

## *Photographs*

In respect for the dignity of the commencement ceremony and in compliance with fire codes, we ask that all individuals remain seated throughout the program. Photographers with media access will be permitted on the arena floor prior to the presentation of candidates. *The Grad Team* is pleased to provide complimentary photography for each graduate as they cross the dais. For details on ordering commencement photographs, visit <https://thegradteam.com/events/>. A link to photo proofs will also be emailed to participating graduates. Any questions can be addressed to [gradteam@thegradteam.com](mailto:gradteam@thegradteam.com), 833-4MY-GRAD, Monday – Friday, 8:00am – 6:00pm EST, or via their website <https://thegradteam.com/help/>.
