Welcome

Dear Graduates, Family and Friends:

It gives me great pleasure to congratulate you on this momentous milestone. Your dedication, hard work, and sacrifice have brought you this well-deserved success.

As you step into the next chapter of your life and head out into the world full of possibilities, remember to embrace each experience with an open heart and mind. I hope the valuable lessons you've learned in and out of the classroom will guide you to make your Missouri Statement in whatever path you choose.

No matter what you do or where you go, continue living out our public affairs mission. Strive to be ethical leaders who respect and engage with those of other cultures and take the time to better your community. As Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." I'm confident you'll make a positive impact just like the thousands of alumni who came before you.

I celebrate with you and your loved ones today as you complete your degree and become a proud graduate of this university. Thank you for trusting us with your education. It's been a privilege to have you as a MO State Bear.

As you become an alumnus, know that you're a vital part of our university family, so stay connected with your alma mater. Visit, get involved, give back, and support the next generation of students. I look forward to hearing about your achievements and seeing the contributions you'll make in the years to come.

I wish you all the best and Go Bears!

SGT. MAJOR LANNY ASEPERMY

RECIPIENT OF HONORARY DOCTORATE IN PUBLIC AFFAIRS

Sergeant-Major (Retired) Lanny G. Asepermy of Apache, Oklahoma, an enrolled member of the Comanche Nation of Oklahoma, is a man whose life embodies the true spirit of public service. Today, we recognize his extraordinary contributions with the conferral of an Honorary Doctorate in Public Affairs (A.P.D.).

SGM Asepermy's legacy spans over 55 years of service — to the United States military, to veterans and their families, to educational institutions, and to communities across the nation, both Native and non-Native alike.

His distinguished military career began in 1966 and spanned 24 years in the U.S. Army, including combat service during the Vietnam War. Rising to the esteemed rank of Sergeant-Major (E-9) — the highest enlisted rank in the Army — he received multiple commendations, honoring his dedication, courage, and leadership. But his service did not end with his military retirement in 1990. Instead, it became a new beginning.

Over the past three decades, SGM Asepermy has dedicated himself tirelessly to veteran advocacy and community service. As a key figure in the Comanche War Scouts, the Comanche Indian Veterans Association, and the Oklahoma Military Hall of Fame, he has worked to honor and uplift the stories and sacrifices of Native American veterans. His work has not only preserved history—it has ensured that honor, dignity, and remembrance are never forgotten.

SGM Asepermy has also extended his impact to the academic world, particularly at Missouri State University, where he has shared his insights, guided research, and mentored students through educational programs, fieldwork, and cultural presentations.

SCHOLASTIC HONORS

Special distinction for high scholarship is awarded to certain undergraduate students as follows:

Summa cum laude (with highest honor) for those who have a grade point average of at least 3.90.

Magna cum laude (with great honor) for those who have a grade point average between 3.75 and 3.89.

Cum laude (with honor) for those who have a grade point average between 3.50 and 3.74.

The GPA is based on the lowest of the student's Missouri State cumulative GPA or the student's combined (Missouri State and transfer) cumulative GPA. Students must complete a minimum of 30 undergraduate credit hours prior to graduation at Missouri State University to be eligible for scholastic honors. Students meeting the above GPA criteria at the close of the semester immediately preceding their final semester of college work are honored at commencement ceremonies. The final eligibility of students for scholastic honors is based on credit hour totals and grade point averages at the end of the semester of graduation. Final eligibility is recorded on the University diploma and transcript.

These students are identified by a cordon worn with their academic regalia. The colors designating the honors are: *summa cum laude*, gold; *magna cum laude*, silver; *cum laude*, bronze.

Scholastic honors eligibility for candidates in the Cooperative Engineering Program is based on Missouri University of Science and Technology scholastic honors requirements.

The Academic Dress

The history of academic dress goes back to the Medieval European universities of the fourteenth century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. In the United States, colleges and universities have standardized the academic dress so that its features are common and uniform throughout the country. The standard dress in the United States is as follows:

The Gown. At Missouri State University, bachelor's degree gowns are maroon and the master's and doctoral degree gowns are black. The pattern varies with the degree held; pointed sleeves for the bachelor's degree; long, closed sleeves with a slit for the arm for the master's degree; and round, open sleeves for the doctoral degree. The doctoral gown is faced down the front with velvet and three bars across the sleeves.

The Hood. Hoods are not worn for the bachelor's degree. The master's hood is shorter than the specialist and doctoral hood and lacks the panels of the doctoral hood. Hoods are lined with the colors of the school granting the degree, while the color of the binding or edging of the hood indicates the subject in which the degree was attained. The colors designating the subject of the degree are:

Audiology.....	Apricot
Arts.....	White
Athletic Training.....	Sage Green
Business.....	Drab
Defense & Strategic Studies.....	Gold
Education.....	Light Blue
Fine Arts.....	Brown
Music.....	Pink
Nursing.....	Apricot
Nurse Anesthesia.....	Gold
Occupational Therapy.....	Delpha Blue
Physical Therapy.....	Emerald Teal
Physical Education.....	Sage Green
Physician Assistant Studies.....	Kelly Green
Public Administration.....	Peacock Blue
Science.....	Gold-Yellow
Social Work.....	Citron
Specialist.....	Light Blue

The Cap. At Missouri State University, bachelor's degree candidates wear a maroon mortarboard.

Members of the Board of Governors are uniformly attired in Governors' robes. The gown is maroon with velvet chevrons and panels. The hood is lined with maroon and white – the colors of Missouri State University.

Academic dress markedly different from the above description indicates a degree from a foreign university.
