III. Reports

1. EPPC Updates as discussed on September 17, 2021
 - a. Secondary Education discussed the GPA changes. EPPC voted last April to remove the 2.75 GPA requirement for certification and the 2.50 GPA requirement as an entry level course prerequisite. Programs will decide if they want to keep the 2.75 GPA requirement for admission to Teacher Education on a program-by-program basis. If a program decides to have it removed, it must go through the curricular process.
 - i. The committee would like to invite Katrina Chavez from the Registrar's Office to the BSED Secondary Education Oversight Committee meeting in October for a workshop through the curricular process.
 - b. EPPC had a discussion regarding restructuring of some of the subcommittees.
 - i. It was suggested that MSED merge with the COE graduate committee
 - ii. There doesn't seem to be a need for the Guiding Principles Committee.
 - iii. Program Review can be dissolved since it was established for CAEP purposes and MSU is no longer affiliated with CAEP.
 - iv. The Membership Committee could be folded into the EPP Executive Committee.
 - v. There will be more discussion on this topic at the October EPPC.
 - c. A chair-elect is still needed for this committee.
2. Co-director, Professional Education Services-Advisement – Juli Panza
 - a. EDC 150 is no longer part of Taskstream. The course content has been reviewed and restructured. EDC 150 will not be an intro course for all transfer students and not just PEU 015 transfers. It is not yet a requirement but is moving toward a zero credit requirement.
 - i. Dr. Huffman plans to vary the time and days the course is offered so students can take it without interfering with their other courses.
 - ii. The goal is to build a community for transfer students and connect them to all resources and create a sense of belonging.
 - iii. The course will likely be scaled down to a four week class instead of the typical 8 weeks

 - ii. Dr. Novakowski screen shared the document. The document will be forwarded to everyone on the committee. Please get back to Dr. Novakowski by middle or end of next week with questions or input.
 - iii. The committee would like a little more time to review but is okay with Dr. Novakowski moving forward.
