

Conceptual Frameworks Committee Meeting Approved Minutes
February 10, 2011
Art Annex 6

Members Attending: Jamaine Abidogun, David Goodwin, Daniel Hellman, Carol Maples, Brenda Goodwin, Steve Willis, Beth Hurst

The Meeting Minutes of January 20, 2011 were approved.

Discussion focused on the alignment of the CF with the assessment plan, CF alignment across programs, campus wide dissemination of the CF and other accreditation issues related to the CF. The most significant issue identified was a lack of clarity in the committee role's in preparation for the upcoming accreditation report and visit. Several challenges were identified. The committee chair will bring these issues forward to the executive committee and invite Dr. Jo Agnew-Talley to share her insight and expertise on these matters at an upcoming meeting.

David Goodwin presented a new draft of the CF incorporating the committee feedback received thus far. Committee members will review the draft and send additional comments to David.

Committee members have completed the website review. The committee chair will collate the reviews and send a draft to the committee for review.
