

Professional Education Exceptions and Compliance Committee

Meeting Minutes

January 9, 2014, 1:00 pm – Hill 314

&

January 17, 2014, 3:00 pm – Hill 314

Members in Attendance:

Gilbert Brown, David Gutzke, Andrew Homburg, Gayle Runke, Juli Panza, Randy Wallace, and Rebecca Woodard

I. Call to order

A monthly meeting of the Missouri State University PEC Exceptions and Compliance Committee convened at 1:00 pm. Chair Gayle Runke presiding, and Cindy Caddy, secretary.

II. Approval of Meeting Minutes

Motion made and seconded to approve the September 25, 2013 meeting minutes. *Motion carried.*

III. Applications for Exceptions

35 applicant requests for CBASE option to be considered were approved. 2 were approved provisionally, and 1 will be voted on via email. 3 requests were denied.

11 other than requests were approved. 9 requests were approved for one replacement course, but not the two requested. 6 requests were denied.

Secondary Education Applications for Exceptions

5 applicant requests were approved. 1 to be voted on via email.

2 other than requests were approved. 1 had one course approved and denied on second course. 5 requests were denied.

IV. CBASE Proposal approved by PEC December 4, 2013

Exceptions and Compliance Committee – CBASE Proposal
Approved by Professional Education Committee 12/04/13

The CBASE battery of tests has been replaced by a battery of tests known as MoGEA. It is the purpose of this proposal to help students who are very close to fulfilling the CBASE

requirements. The following outlines an emergency approach to this transition and acceptance to the Teacher Education Program:

1. There will be no exceptions made for qualifying GPAs.
2. All sections must be scored above 235.
 - a. Three sections passed above 265
 - b. Two sections can be fulfilled with a replacement course for each section
 - c. Content area section score must be 265 or student will be required to take the MoGEA content section
 - d. One extended semester for one professional education course will be granted while taking the replacement course(s)
3. The student must initiate the paperwork for these exceptions and must meet all of the standards currently in place concerning a replacement course. Except, they may now do so after two attempts of an unpassed section.
4. Replacement courses must be approved, taken and passed with a B- or better prior to Fall 2014.
5. Students who do not meet the criteria by Fall 2014 must meet the complete MoGEA test requirement. No additional extended semesters will be granted.

V. New Business

No new business.

Adjourned at 3:15 pm

Addendum

Meeting Minutes

January 17, 2014 – 3:00 pm, Hill Hall 314
