November 18, 2021 | 3:00 p.m. | Zoom

I. Call to order

Dr. Patrick Sullivan called to order the regular meeting of the Educator Preparation Provider Executive Committee at 3:00 p.m. on November 18, 2021.

Present: Chris Craig, Karen Engler, Heidi Hadley, Stefanie Livers, Patrick Sullivan, Barri Tinkler

II. Approval of minutes

The October 21, 2021 meeting minutes approved with corrections.

Move Item 3.a under Secondary Education update to Item 2.c under COE update.

III. Discussion Items

1. Unit update: Dr. Chris Craig

- a) Dr. Craig sent an email to Dr. Pam Correll regarding questions she had about the MSED Secondary Education Oversight Committee restructure. The email expressed the need to have Secondary representation on Graduate Council. Dr. Travis Seay is representing Secondary Education on the Council which meets at the same time as EPPC. Dr. Craig had a conversation with Dr. Seay asking him to reach out to Dr. Correll and Dr. Engler if there are any secondary issues that need to be addressed.
 - i. MSED will operate with the notion that EPPC would not approve curricular changes that do not have anything to do with licensure. MSED will meet as an ad hoc committee should changes need to be made. Changes should be announced at EPPC for information purposes.

2. COE update: Dr. Barri Tinkler

- a) The “Grow Your Own” partnership with Springfield Public Schools (SPS) is scheduled for December 9, 2021. Dr. Tinkler is currently looking for COE faculty to facilitate the partnership and work with secondary education programs. That individual will work with COE and secondary programs in terms of recruiting.
 - i. There will be two pathways. The first is visiting high school students wanting to become teachers and the second is visiting MSU students in the classroom to identify those that may be interested in becoming teachers.

3. Secondary Education Update: Dr. Karen Engler

- a) No report.

IV. Old Business

1. Teacher Education program catalog changes

- a) The BSED subcommittee met and discussed changes to the teacher education program language in the catalog. They are meeting again on November 22nd. The committee has decided on a new approach which is to remove the 2.75 GPA requirement for admission to teacher education and individual programs will be responsible for adding it if they want to keep the GPA requirement. Katrina Chavez has been assisting the group suggested that program proposals be submitted no later than February 2022 to get into the 22-23 catalog.
 - ii. If no consensus is reached at the November 22nd subcommittee meeting, the GPA language will be pushed through to ensure the language reflects the vote of the EPPC at the April 2021 meeting.

2. Closed Captioning

- a) Dr. Engler would like future EPPC meetings to be Closed Captioned without anyone having to request it.
