Motion to recommend. Second. Discussion. Motion carried.

PROGRAM CHANGES

Denise Cunningham is present to discuss the proposal. An accelerated option is being added. There are no new courses.

NEW PROGRAMS

Minor in Photography

Gwen Walstrand is present to discuss the proposal. It was unclear as to why this proposal went through EPPC Review. Dr. Swearingen explained that the BSED box was checked when the proposal was submitted. However, this committee cannot consider it for recommendation since it does not affect certification. The committee suggested that the proposal be resubmitted.

No action taken.

Archaeology Minor

No representative was present to discuss the proposal. This is the same situation as the Minor in Photography.

The committee is not sure whether this, and the Minor in Photography, should be considered at EPPC level. BSED minors are listed on the secondary website. The committee is unclear as to whether these proposals need to gain EPPC approval before being added to that list.

The committee decides to take action on both minor proposals and move to EPPC for discussion.

Motion to recommend Minor in Photography and Archaeology minor. Second. Discussion. Motion carried.

IV. Old Business

No report.

V. New Business

No report.

VI. Adjournment

Dr. Swearingen adjourned the meeting at 4:25 p.m.
