I. Call to order

Dr. Swearingen called the meeting to order at 4:00 p.m.

II. Approval of minutes

The November 17, 2021 minutes stand.

III. Review of Curricular Proposals

PROGRAM CHANGES

Educational Technology-MSED

Dr. Ching-Wen Chang spoke to the proposal.

EDT 661 is changed to EDT 761 in the accelerated and certificate program. The language has also been cleaned up and clarified. Also added a new course, EDT 645 Motion to recommend. Second. Discussion. Motion carried.

Teaching, Master of Arts in-MAT

Dr. Correll spoke to the proposal.

The program description has been changed. Middle level options for two of the foundations courses have been added for middle school education students. Science content majors for certification will take SCI 662 in addition to the other two EDC courses. The practicum course is a three hour course preceding student teaching. SCI certification students will enroll in SCI 784 for student teaching. Requirement has been added that all MAT coursework must be completed with a "B" grade or higher. Professional education courses must be completed with a GPA of 3.0 or higher. The MAT was under routine review to ensure alignment with DESE requirements.

Motion to recommend. Second. Discussion.

Katrina Chavez noted that the document attached to the curricular proposal has tracked changes. Faculty Senate wants to see only bold and strikethrough. The proposal must be withdrawn and resubmitted before EPCC in January.

Motion carried with stipulation that formatting changes need to be made on the document attachment and the proposal resubmitted.

NEW COURSE

EDT 645 Building Blocks for Coding in an Educational Setting

Dr. Ching-Wen Chang spoke to the proposal.

This is a new coding course and is cross-listed with the 545 version.

Motion to approve. Second. Discussion. Motion carried.
