Fall Semester target deadlines for reporting of subcommittees:
November 15th: Have reviewed MSU structures and current programs as it pertains to subcommittee area and begin to evaluate their effectiveness.
December 6th: Evaluate retention practices as it pertains to subcommittee area and recommend 3 big ideas/structures that we can explore in coming months.

For each subcommittee, develop an outline/report of the following by February 15, 2020:

1. Review existing organizational structures (committees, units, collaborations, etc.) and policies and recommend new pathways to support improved retention

2. Evaluate retention best practices and programs on campus and other institutions and recommend 3-5 big strategies that we should be doing to best impact retention
3. Propose/recommend university retention goals, completion goals, and other outcomes that seek to improve overall student success
4. *If relevant*, make recommendations regarding communication methods and platforms for continuing students
