1	0.41%		I choose Missouri State because it offered many majors, was well priced, was a bigger college but yet the campus was not huge, was not too far from home, and was located in a city.
1	0.41%	<input type="checkbox"/>	I choose MSU because it was far away enough from home that I still got the college experience, but it was close enough to go home whenever I need too.
1	0.41%	<input type="checkbox"/>	I choose to attend Missouri State because of the cost, and the location to home. I am far enough away to fell away from home but close enough to go home when ever I want. I also was really interested in the programs offered here for students to get involved.
1	0.41%	<input type="checkbox"/>	I choose to attend Missouri State Universtiy because I wanted to expericene something outside of a small town and a community college.
1	0.41%	<input type="checkbox"/>	I chose Missouri State because it was cheaper than the other college I wanted to attend and it was closer to home. Also because it had my degree.
1	0.41%	<input type="checkbox"/>	I chose Missouri State because of its music program and because it was an affordable choice.
1	0.41%	<input type="checkbox"/>	I chose Missouri State because on the different college finder websites, the Study Abroad program was the best one. Then, when I came for a tour of the campus, everyone was really friendly and I just fell in love with the campus. My other colleges that I had in mind kind of vanished after that.
1	0.41%	<input type="checkbox"/>	I chose Missouri state for multiple reasons. One reason was that it was large, I wanted to attend a large school. Another reason is I like the location, far enough away from my house and located in a bigger city. The final most decision defining reason I chose Missouri State was becuase of the education and atmosphere. When I visited (3 times) I felt that people were friendly, knew everyone, and people were very involved.
1	0.41%	<input type="checkbox"/>	I chose Missouri State for the Nursing program and also because this is my home town.
1	0.41%	<input type="checkbox"/>	I chose Missouri State University because it seems greatly oriented in getting students the financial aid that they need, helping students reach their academic potential, and encouraging students to become proactive in the community.
1	0.41%	<input type="checkbox"/>	I chose MSU because it is one of three schools in the state of Missouri that has Geospatial Sciences as a major, not just a minor. I also chose it because it excels academically unlike some colleges that focus mainly on sports.
1	0.41%	<input type="checkbox"/>	I chose to attend because it was away from home and had so many new oppourtunities here that I thought I would really enjoy it.
1	0.41%	<input type="checkbox"/>	I chose to attend because MSU has a good biology department, and I had a couple of friends going here. I thought the school and the campus were a good size.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because I like the campus and the dorms better than other places that I visited. Also, I was very impressed with the physics program and how enthusiastic the professors were about physics, it seemed like they were very excited to teach me.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because I really liked the campus and the Springfield area reminded me a lot of the St. Louis area where I lived.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because I thought that I would really like the atmosphere. I also liked that not many people I knew were going to come here that way I would be able to meet a lot of new people and enjoy making new friends.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because it is close to home, i love the campus and i know many people who attend MSU with me.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because it was just perfect for me. No other college gave me a feeling like Missouri State did.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because it was most most affordable option.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State because of my major. There are very few programs for my specific majors in the USA. I chose MSU because it was the closest school to my home town with the program that I wanted.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State becuase of the campus set up, the activities that I knew I would be involved in, and my dad graduated from here as well. Taking all of this into consideration I knew Missouri State was where I wanted to be.
1	0.41%	<input type="checkbox"/>	I chose to attend Missouri State University because it was about the size of college I wanted. Also, they had the degree I wanted as well as it being not that far from home. Another factor of me wanting to attend MSU is I have heard quite a few good things about it.
1	0.41%	<input type="checkbox"/>	i chose to attend Missouri State University for several reasons. One reason would be because of the cost. I wanted to an education for the right price and MSU fit this. Another reason would be because I am not a Mizzou fan, I'm a Kansas fan! Go Jayhawks! Since out of state tution is ridiculous I decided MSU was just right. The last reason was because of the location. Springfield is only an hour and a half from my little town of Camdenton. It's not too

close to my parents, but far enough.

1	0.41%	<input type="text"/>	I chose to attend MSU because my brother went here, showing me what a great facility it is and how the teachers actually will work with you, and besides, my mom would throw a fit if I moved too far away.
1	0.41%	<input type="text"/>	I chose to come to MSU because another college did not accept me. My ACT score was too low for their standards. I was really upset that I didn't get into that one college so I took a campus tour and fell in love with MSU and I knew this was my home. Also, since I want to be an Elementary Teacher MSU was by far the best choice for me.
1	0.41%	<input type="text"/>	I chose to go to Missouri State because I want to be a physical therapist. I know Missouri State has a great PT program, once I get my bachelor's of science degree I am hoping to just stay here for graduate school.
1	0.41%	<input type="text"/>	I chose to go to Missouri State because of its strong theatre department. The fact that Missouri State had an actual program for theatre education was the deciding factor for me, because not many schools have that specific degree. Most other schools require you to make magic happen in order to be certified to teach theatre.
1	0.41%	<input type="text"/>	I chose to go to MSU for a few reasons. First, for the Musical Theatre program. I auditioned in February 2011 and was admitted to the program! Also, the cost of MSU is substantially cheaper than other schools I looked at. Lastly, I like how I can be a Musical Theatre major, yet still be able to pursue other things like clubs, organizations, and inter mural sports.
1	0.41%	<input type="text"/>	I Dont know probably becuae i can commute
1	0.41%	<input type="text"/>	I felt like I belonged and they offered the major i wanted
1	0.41%	<input type="text"/>	I felt very comfortable here as soon as I arrived. Count	Percent		
1	3.03%		a lady at financial aid is not very helpful and when you ask a question she gives you one answer but if you have anymore questions about the same thing she just keeps telling you the same thing and she starts to visibly get frustrated and i think it is rude.
1	3.03%		At Soar, they approved of my schedule which I found out later that it was wrong and I had to make a change.
1	3.03%		During SOAR we never received any info about parking. We got a parking ticket the first day so we asked a security officer where to park and got a ticket again the next day.
1	3.03%		fincal aid was so confusing
1	3.03%		Getting rid of holds in my registration process. My commuter form didn't get finished somehow even though the lady said we were good to go. So I spent many unnecessary hours running around the entire campus.
1	3.03%		I am not sure if one of the classes I took in high school for college credit transferred correctly to this university, which frustrated me because it was an Advanced Placement exam which should have transferred fine.
1	3.03%		I amount of time for the scholarships to be processed.
1	3.03%		I experienced frustrating moments when either myself or my mom would call and sometimes the people would seem agitated that we were calling and asking questions because some things, like how to find out about financial aid and get the process going or to even set up my Bearpass, were very confusing. Also my mom would sometimes call for me because senior year was getting hectic and I didn't have the time and sometimes the people wouldn't even work with her, they would tell her that I needed to call back. This was problematic because I wasn't always able to call and this ended up making me late on some things. My mother was very disgruntled and didn't understand why in those cases she wasn't able to help me.
1	3.03%		I had to do it all over the phone overseas, and had to wait a log time to talk to anyone.
1	3.03%		I spent a lot of time on my scholarship application as well as contacting the school about things that made me able to recieve a scholarship and only recieved a moderatly small grant.
1	3.03%		I wanted to be in the concert band but I had trouble getting an audition and everyone I spoke to told me to talk to someone else. No one really knew what they were talking about so now I'm not in the band.

1	3.03%		My credit transfer process was confusing and extensive.
1	3.03%		My high school didnt prepare me for college like they should have and im just disappointed in them cause now im pretty much failing all of my classes because this pattern of business is way better.
1	3.03%		Navigaitng the Website was confusing. Also, trying to figure out what financial aid I had been awarded was confusing too. I th ink everything should really be easier access.
1	3.03%		Navigating the websites was very frustrating at times. To find certain things, I had to go through many links and often got to the wrong pages.
1	3.03%		One of the qualifications for the Provost Scholarship is to apply to Missouri State by January 15th. I applied literally a week later, but since I didn't apply that early (which is ridiculously early), I didn't get the money that is rightfully mine? I met all the other qualifications, but now will be missing out on a cumulative \$10,000 over 4 years. This is very disappointing and the Financial Aid Office wasn't very helpful in finding a resolution or even "letting me down easy." Because of this significant lose of money, I might have to transfer to a less expensive school at the end of this semester.
1	3.03%		SOAR was far too long. There was no need to drag it on for so long. 12 hours the first day
