1	7.69%		I'd like to see more information for the international students who graduated in other countries and worked there. Some explanation why MSU doesn't count credit hours that we had earned.
1	7.69%		It would be nice to have a planner or organizer telling us the best time to fill out certain forms and do certain requirements. There were some things I had to do that no one told me and I didn't know about myself so they would get left undone which meant it took longer to receive my financial aid and sign up for the right classes. As a transfer student, we may not be familiar with a lot of the requirements you may have set for us because our community colleges don't require as much.
1	7.69%		it would have been much more convenient for me to have a list of the required courses for my major. the only thing i could find was a sheet with a 4 year plan with what to take each semester, but as a transfer student that doesnt really apply to me, i wanted to just see what i had left to do. maybe there is one, but i did spend some time looking and never found it

1	7.69%		Not all forms were available but they were mailed to me quickly.
1	7.69%		The course catalog is a little difficult to navigate.
1	7.69%		The required textbooks section of My Missouri State does not list the ISBN #'s for the necessary textbooks. This would be very helpful in trying to find textbooks online which can be SIGNIFICANTLY less expensive.

1	4.00%		I thought that the physical education class that I attended would have transferred, but it didn't and now I have to in one of my years at MSU take one of their offered classes.
1	4.00%		I was a little discouraged to find out that I had to have a required minor coming to this

			school. I feel like it had extended my college education longer then it would have if that was not a requirement. I am an older college student with a family at home, I am anxious to earn my degree and get back out full time in the work force. This makes things prolonged. I'm now minoring in Soc. It puts me in school longer, more homework and down time from home responsibilities and can be discouraging. I was hoping that my associates degree would be enough to count for a minor, especially since it is relatively in the same field.
1	4.00%	<input type="checkbox"/>	Lost about half of my credits in the transfer. Pretty much the whole second year of my associates. 1	4.00%	<input type="checkbox"/>	Many classes that I complete did not transfer over. I had Biology at STLCC and had to retake it at MSU. I also had a Writing 2 class, and that did not transfer as well.

1	4.00%	<input type="checkbox"/>	The bio course I took at STLCC did not transfer, which I found to be annoying and negative for my transfer
1	4.00%	<input type="checkbox"/>	The degree I received was not relevant to the degree I am seeking now. I was not in full agreement with how many actually transferred.

1	1.08%		Be a little more personable. I have had really nice people help me, but I have also had some unpleasant ones.
1	1.08%		Been more familiar with campus before starting classes
1	1.08%		club information , more stuff with transfer students and new students
1	1.08%		everything is good
1	1.08%		Everything is good
1	1.08%		games
1	1.08%		Give more information about student activities
1	1.08%		Got me in the right classes.
1	1.08%		had more open classes that wherent as full
1	1.08%		Have a stronger hold on what a student needs and be better able to explain the course of a degree that a student chooses.
1	1.08%		Have more opportunities for night events. I'm enrolled in night classes because I work during the week in the daytime and I cannot take off work a lot to attend events, even the ones I really want to attend.
1	1.08%		I believe that giving us a map of the campus along with a list of all the services offered would have been helpful. It would have also been nice to know what all our zip card can be used for.
1	1.08%		I can't think of anything Missouri State could have done. Personally, I could have chosen to attend some of the transfer orientations on campus, but they just didn't fit into my schedule.

1	1.08%	<input type="text"/>	I can't think of anything that the school could have done. They did a great job of setting up opportunities for students to meet each other and ways for students to get plugged in.
1	1.08%	<input type="text"/>	I didn't have any extensive orientations about services, clubs, opportunities, how-to's because I am a commuter student. I would really have appreciated more information on those topics.
1	1.08%	<input type="text"/>	I don't feel that there is anything to be done.
1	1.08%	<input type="text"/>	I don't know. It's only the third week of school, I live off campus and I don't know anyone in the entire state. One tends to feel unconnected no matter how hard the school tries.
1	1.08%	<input type="text"/>	I dont have anything really because any questions I had they answered for me and they took the time to help me with anything that I needed.

1	1.08%	<input type="text"/>	I feel pretty connected as it is now.

1	1.08%	<input type="text"/>	I have a lot of homework, so I am unable to attend campus activities.
1	1.08%	<input type="text"/>	I honestly do not know.
1	1.08%	<input type="text"/>	I live in the dorms and the doors are not kept open so i depend on all the event posters posted on the walls. maybe more flyers stating the time and location of anything going on. maybe a calander of all events kept up to date.
1	1.08%	<input type="text"/>	I really do not think it is anything that the school could have done, it is just a little overwhelming coming to such a large campus and it will take some time to adjust. Each week it is getting easier.
1	1.08%	<input type="text"/>	I really don't feel there is anything Missouri State could have done. They did everything, I just don't typically get very involved in college life. I mostly stick to studying and such.
1	1.08%	<input type="text"/>	I think I should have lived on a LLC floor
1	1.08%	<input type="text"/>	I think it is the matter of time only. Maybe more meeting for adults students...
1	1.08%	<input type="text"/>	I think that Missouri State needs to give more opportunities for transfer students to get connected to Missouri State. I wish that I could have felt like this was the place that I needed to be at. I had to meet everybody and get involved in school, but the freshman students don't have to do that. They get bombarded with things to do to get involved with school. However, I have not seen anything for transfer students since I have been on campus.
1	1.08%	<input type="text"/>	I wish transfer students got to do some of the same events as freshman. That would have made me feel more connected.
1	1.08%	<input type="text"/>	I would have liked to have a list of the student organizations sent to me.

1	1.08%	<input type="text"/>	Improve the financial aid office and provide more information about on-campus activities
1	1.08%	<input type="text"/>	Make it smaller. Classes more intimate. It is hard to feel connected to a college when I don't know my profs first names, or the majority of people in my classes let alone my major. As a whole, MSU is just another college, nothing that is WORTH getting connected to.
1	1.08%	<input type="text"/>	maybe moor interaction with the transfer students
1	1.08%	<input type="text"/>	More events for commuter students so we can get to know each other since we aren't living in dorms.

1	1.08%	<input type="text"/>	Nothing comes to mind - I feel pretty comfortable at this point.

1	1.08%	<input type="text"/>	Nothing really, this is my 5th school and I just want to graduate. I am beyond wanting to be connected to the school really, I just want my degree.
1	1.08%	<input type="text"/>	Nothing really. I came from St. Charles Missouri, traveling was 3 hours to get here. I believe that MSU staff helped as much as they could to make me feel at HOME away from HOME.

1	1.08%	<input type="text"/>	Nothing. It was perfect
1	1.08%	<input type="text"/>	Probably not, I tend to not like the types of social events that most people enjoy. I do feel well informed through email and the home page of Missouri State. I believe I usually know what is going on and have the opportunity to be involved

1	1.08%	<input type="text"/>	They do a fine job trying to get students connected
1	1.08%	<input type="text"/>	Try to put transfer students in the same rooms if they are staying on campus.
1	1.08%	<input type="text"/>	Well, I would like to have somewhere that when on campus I can go and have a few minutes to myself. To clear my head from unneeded noise, somewhere that I can do homework without having anything to pull my attention. A quite study place, rooms where

students can go by their self and just do what they want like homework, studying, and time to be alone.

1 1.08% While the transfer student workshop was very helpful, I wish there were more activities and mixers for transfer students.

1	1.28%	<input type="text"/>	I wish i would have gotten an acceptance letter when i accepted my student loan because i was in the dark until i called the financial aid office.

1	1.28%	<input type="text"/>	I would have liked to know more about events going on the week before the start of the semester (an email, letter, etc.) I would have appreciated more direct answers when I spoke with financial aid, both in person and on the phone. I never felt like I was told everything I should be completing, filling out, etc. In fact, my loan didn't come in on time because I wasn't told about information I needed to complete.
1	1.28%	<input type="text"/>	It was a normal experience
1	1.28%	<input type="text"/>	Just trying to get the financial aid office and the accounting department to be able to speak to each other or for the accounting dept to be able to see the financial aid that was pending so that I could finish getting what I needed from the book store. 1	1.28%	<input type="text"/>	Most of the times that I contacted the financial aid office I had a pleasant experience, but on one particular phone call I was being helped by an individual who was not very friendly or helpful and seemed to be in a rush to get me off of the phone so she could move on to other calls.
1	1.28%	<input type="text"/>	MSU didn't take my degree or some of my classes.
1	1.28%	<input type="text"/>	My advisor did not help me at all. I was basically given a catalog of classes and a good luck. I am going to change my major, and hopefully will get an advisor that actually cares about my degree.
1	1.28%	<input type="text"/>	My email wasn't working with officials. I did had to call every week and ask what form I needed to get next. Right now, financial aid doesn't even have me in their records as attending
1	1.28%	<input type="text"/>	My fed loan payment was delayed because I failed to complete the online entrance counseling. This was frustrating because my My Missouri State account indicated that I was approved for my allotted Fed loan. I had to investigate the situation myself after my Fed loan failed to credit to my account in order to find out why my loan hadn't been dispersed. I was informed that I had to complete the entrance counseling on Myfedloan.org in order to release the payment. It was misleading that it appeared my loan was approved and "good to go" even though there were other criterion that needed to be met. Initially, I had no idea why my loan wasn't dispersed. It would seem that a student shouldn't be "approved" for a Fed loan until he or she had met all of the requirements .
1	1.28%	<input type="text"/>	My financial aid was delayed because nobody told meto do a MPN or to complete the counseling session on my student loans. Also I did not know to fill out a new consortium agreement to replace my previous one.

1	1.28%	<input type="text"/>	Not being told by financial aid that I need to sign a consortium agreement to get all my Pell Grant money because I am taking 9 hours through Springfield and 3 hours through West Plains. It is very frustrating when you don't get all your grant money and you e-mail financial weeks before to ask if anything needs to be done and they say no. Then, when you find out in fact there is something that needs to be done, you have to run around to get all the right paperwork (which took two tries because the first paperwork that the financial office sent me was the wrong one).
1	1.28%	<input type="text"/>	Not really any.
1	1.28%	<input type="text"/>	nothing
1	1.28%	<input type="text"/>	Receiving my financial aid refund as been a bit of a hassle. I set up direct deposit so it would come quickly and easily. Then an email was sent saying that refunds were sent out as checks. I waited and waited for a check to come to finally get another email saying it was sent back to the school and I need to pick it up.
1	1.28%	<input type="text"/>	Since I have my associate's degree, I am not sure if I need to take the required PED class. I cannot get a straight answer from my advisor, the website, or the class catalogue.
1	1.28%	<input type="text"/>	Since my advisor works for both universities, she could have made it known that there were additional classes that were required in order to meet the requirements for MSU

1	1.28%	<input type="text"/>	The cost just took me back. I nearly went back to West Plains once I saw that I would have to take loans out.
1	1.28%	<input type="text"/>	The Disability Resource Center was not very communicative.
1	1.28%	<input type="text"/>	The financial aid office
1	1.28%	<input type="text"/>	The most frustrating item that comes to mind is about dealing with financial aid and how they are paid to Missouri State. Also the installment plan needs more explanation especially with dealing with financial aid.
1	1.28%	<input type="text"/>	The only frustrating experiences would be the parking availability.
1	1.28%	<input type="text"/>	The only real frustrating thing I had was when I met up with my advisor and she didn't show up to her appointment. At the time I was still living in St. Louis and I wasn't able to stay long. I was disappointed that I had come all this way and she wasn't there. But fortunately she was still able to advise me via email, so it worked out pretty well.
1	1.28%	<input type="text"/>	The only thing I'm finding only slightly frustrating is trying to get involved with organizations. I've used the LINK service on my Missouri State, and requested to join several clubs, but I haven't heard anything back.
1	1.28%	<input type="text"/>	The only thing was me not feeling welcomed by the students but as far as the school and campus I LOVE IT!
1	1.28%	<input type="text"/>	The parking passes was way to expensive
1	1.28%	<input type="text"/>	The size of the classes is different than I expected.
1	1.28%	<input type="text"/>	the transfer ad visor was not much help at all to me
1	1.28%	<input type="text"/>	Why is the ID office not open on move-in weekend? That would have made my life so much easier. Also, a better understanding of how the student loan process works and how and when funds are disbursed would have helped as well, I could have done without the week of worrying if I'd screwed up somehow and perhaps the money wasn't going to come through.
1	1.28%	<input type="text"/>	Yes this whole semester makes me want to transfer back to West Plains because I am taking classes I dont need which is wasting my time and gas money to drive all the way there for nothing.

Q62. Do you have any suggestions for how we could have served you better? In responding, please consider whether you received services or information from other colleges that you would have liked to receive from Missouri State but did not.

1	5.88%	<input type="text"/>	Better times for art classes and more available!
1	5.88%	<input type="text"/>	Especially for commuter students, I would like to have had a day before the start of the semester with informational sessions about financial aid, services on campus, student organizations, walk through of all the buildings, meal plan options, how-to's (registering, mymissouristate tools, lots of info. on who do I contact if I have a question about?)
1	5.88%	<input type="text"/>	Every other college I toured/looked into gave me a free shirt. Why is MSU holding out? I went to a poor community college and still have at least ten shirts, come on MSU.
1	5.88%	<input type="text"/>	Financial aid has been the worst department to deal with. Not only were the workers rude to me, that have not been helpful at all and have lost some of my paperwork causes me to have to send it in again and again and again. I'm STILL waiting on them to send my award letter.
1	5.88%	<input type="text"/>	I really think you should consider having the ID office open over move-in weekend, since it can make things difficult for people who live long distances away and like me, didn't have the opportunity to come for SOAR.
1	5.88%	<input type="text"/>	Info on clubs and how to get involved in sports/intramurals for those of us who don't live on campus it is hard to know these things. Get your shit together.
1	5.88%	<input type="text"/>	It would have been nice if MSU had a few more ways of getting out of state tuition waived. My family has an extensive history with the school and in the Reeds Spring/Branson area that goes back several generations. This is one of the main reasons I chose to transfer to MSU instead of staying in Arkansas where I could have gotten the same degree for about half of what I'm paying to attend MSU as an out of state resident. Had I not lost half of my credits in the transfer, my GPA would have been high enough to get it waived. Had one of my parents actually gotten a degree from MSU instead of just taking a few classes, I could have gotten it waived. None of my family that received a degree from MSU was closely enough related to get it waived, even though there are several of them.

1	5.88%	<input type="checkbox"/>	It would have been nice to have been informed by Financial Aid of the necessary requirements for receiving a Fed loan.
1	5.88%	<input type="checkbox"/>	Just a little more feedback from student organizations to prospective members.
1	5.88%	<input type="checkbox"/>	Let the accounting dept have access to funds coming into a students acct.
1	5.88%	<input type="checkbox"/>	more info on the credit evaluation so i could do alot more on my own .
1	5.88%	<input type="checkbox"/>	More parking
1	5.88%	<input type="checkbox"/>	No one told me that I had to agree to the terms in order for me to get my Pell Grant. It would be nice if Financial Aid had conveyed that little bit better to me. After five days after the expected release date and still not getting my grant, I was in a panic.
1	5.88%	<input type="checkbox"/>	Not put 60.00\$ in print money on my account that will never get used.
1	5.88%	<input type="checkbox"/>	The admissions process took over a month. I did not even hear from MSU until the beginning of August to tell me some of my transcripts were not received.
1	5.88%	<input type="checkbox"/>	While I hear the student's talk about evaluations of their previous studies, I see that it is not only a problem for foreingers, I think MSU should have the ability to customize an educational program.
1	5.88%	<input type="checkbox"/>	Yes you could help the students that have never been here and help them get the classes that are right for them and show them the campus in person instead of on the computer.
