I was thoroughly impressed with the campus and staff as a whole but especially impressed with my academic advisor.
1	1.30%	<input type="text"/>	My academic advisor was extremely helpful. I met with Hillary Mayes for what I was thinking would be a 30 minute or less. She took her time with me and explained the processes of transferring very clearly and spent over an hour talking about classes, directing me to others to reach out, and my future. Not only that she was interested in me. She really spent her time getting to know me and understand who I am as a student and as a future Dietitian.

1	1.30%		none
1	1.30%		One of the main reason I came was because all of my credits transferred. The reason I chose not to go to University of Arkansas was because some of my credits were not going to transfer over.
1	1.30%		Overall smooth experience. People were helpful over the phone, Ms. Lori Roessler helped me go through with my individualized major in several ways over email, phone and in person, website was easy to use and helped me find almost everything, information in the mail was timely and useful, MyMissouriState is easy enough to navigate, transfer credit reevaluation submissions were easy and reasonable.

1	1.30%		The open and easy to use nature of the website and student help services is superb at Missouri State. Virtually every question I have about housing, financial aid, credits or majors is easy to access and understand. Also Missouri State's emphasis on transfer students is the MAIN reason I am attending. MU was not as welcoming and told me I would have to live off campus since slots were limited.
1	1.30%		The people that have worked with me have all been wonderful.
1	1.30%		The registration process was great.

1	1.43%		A friend of mine met with a advisor to talk about our credit transfers, he was a replacement for the main man who does the job for the summer. He proceeded to try to get us to change our major for over an hour and instead of informing us about our program and proceeded to talk about his program (graphic design). Overall, it was very disappointing, unprofessional, and frustrating.
1	1.43%		Advising apointment got canceled on me twice. I felt like having it delayed for weeks didnt give me much option for cchoosing classes and times that I wanted.
1	1.43%		Can't think of any bad experiences.
1	1.43%		Everything is online and when I am at home I do not have Internet so i made pointless trips to campus to try to get stuff done and turned in. I commute at least a 30 minute drive.
1	1.43%		Financial aid has been hard to deal with at times
1	1.43%		Financial Aid still isn't figured out
1	1.43%		havent gotten approved for a room yet
1	1.43%		I actually felt that I was stereotyped in the TB survey because I am in the low income group. Not everyone who has a low income is involved with harmful activities, nor do they put themselves at risk. I felt that just because I was a lower income person it was automatically thought that I had used drugs or put myself at risk.

1	1.43%	<input type="text"/>	I am still unclear about exactly what I need to do to complete my BFA. I do not understand the process completely and am having a hard time formulating questions about 'foreign' processes.
1	1.43%	<input type="text"/>	I believe more literature should be given to the students who receive grants. Such as rules and requirements. Also the ability to be released for registration quicker so classes they need aren't already filled.
1	1.43%	<input type="text"/>	I do wish I didn't have to wait so long for a room assignment but I understand the reasons.
1	1.43%	<input type="text"/>	I drove 4 hours to see an advisor to help me enroll in classes and she explained how to do it but told me to go home and do it.
1	1.43%	<input type="text"/>	I feel that the Outreach program could be more helpful in the transfer process. More often than not, I felt like there was more tension added to the process, in general. It seemed as though my communications were being bounced from one person to another, rather than expediting the process, seemed to slow it down.
1	1.43%	<input type="text"/>	I had called to set up an appointment to meet with the advisor, and the woman I spoke with was extremely rude and uncooperative.
1	1.43%	<input type="text"/>	I had no bad experiences.
1	1.43%	<input type="text"/>	I had to resend my transcripts because they were not received the first time.
1	1.43%	<input type="text"/>	I had trouble finding the orientation online
1	1.43%	<input type="text"/>	I have had no frustrating or disappointing experiences with Missouri State.
1	1.43%	<input type="text"/>	i have had no problems so far, the only concern i have is finding all my classes
1	1.43%	<input type="text"/>	I have not had any frustrating/disappointing experiences with Missouri State.
1	1.43%	<input type="text"/>	I left a few voicemails for the bookstore and no one ever returned my calls. I
1	1.43%	<input type="text"/>	I still haven't received my final financial aid announcement or my housing.
1	1.43%	<input type="text"/>	I was confused on how to contact my advisor and who that would be at first.
1	1.43%	<input type="text"/>	I was dissapointed that the school was trying to force me to live on campus when I am 20 years old and have lived on my own for 2 years. It was a long process to get that taken care of.
1	1.43%	<input type="text"/>	I was somehow given the wrong student I.D. number which resulted in some very frustrating times.
1	1.43%	<input type="text"/>	I was told to buy fall semester books right away after my advisement, and after I did I was made to pay for those books not from my financial aid because it looked as though it was for summer tuition.
1	1.43%	<input type="text"/>	I'm going to the Crowder College for MSU social work program and my frustration is lack of information given to us. Makes me feel like I'm not really part of MSU.
1	1.43%	<input type="text"/>	I'm having trouble finding my housing assignment.
1	1.43%	<input type="text"/>	It took many attempts to get with an advisor and finally someone from the Art department helped me with enrolling my classes. I still haven't actually met my advisor though. Also, financial aid has been horrible. I have been to campus in person and was told everything was good to go only to have to find out twice that I needed more information. I've been dealing with them for 2 months and still don't know what I'm getting in aid if anything.
1	1.43%	<input type="text"/>	It was difficult registering online due to technical problems.

1	1.43%	<input type="text"/>	My advisor, Patsy Garner, was not the most helpful. She actually messed me up a few times, and I struggled to get in touch with her.
1	1.43%	<input type="text"/>	My classes don't count that I wanted to transfer. Financial aid is frustrating. I filled out scholarship applications and received nothing. I am a single mother with no income and some how don't qualify??? I received more financial aid while in community college than here.
1	1.43%	<input type="text"/>	My only disappointment was not getting a tour of Kentwood Hall, because now I do not know what to expect once I move in.
1	1.43%	<input type="text"/>	My transferring credits were not entered into the system correctly, so when I enrolled, rather attempted to enroll in BMS 110, I was initially denied. I called around until the issue was resolved but the man I spoke with in the registrar's office was of no use and very rude. Somehow my advisor knew more about this "bug" than he did. It was very frustrating when I was 4 states away and couldn't talk to someone face to face to correct the issue.

1	1.43%	<input type="text"/>	Nothing really just that there is not much support for those of us who are not attending classes on campus.
1	1.43%	<input type="text"/>	The Financial Aid office seems a little sluggish and out of date with the use of faxing still encouraged. If Financial Aid was more modernized it may help some students. Overall my experience was satisfactory and the FA staff were very prompt and helpful.
1	1.43%	<input type="text"/>	The math entry exam was very disappointing.
1	1.43%	<input type="text"/>	The only frustrating thing was figuring out financial aid, but that was mostly because of my misunderstanding.
1	1.43%	<input type="text"/>	The people were friendly and helpful but they all told me to go online to do this. Or go online to fill out this. There is a little to much online stuff. I really wanted some of my fine financial aid to be handled in person and not online.
1	1.43%	<input type="text"/>	The timing out in rearguards to log in on the web site. Every time I visit the site, it seems I end up having to log in 10+ times to complete any activity.
1	1.43%	<input type="text"/>	Two of my psychology credits did not transfer
1	1.43%	<input type="text"/>	Waiting for housing placement.
1	1.43%	<input type="text"/>	When applying as a first time student, I recieved a financial award. After I finished my military training and recieved college credit, I became a transfer student and the award could not be used. Also, my advisor did not seem interested or concerned about my time at MSU.
1	1.43%	<input type="text"/>	When making a phone appointment with my advisor the person scheduling the appointment was slightly rude.
1	1.43%	<input type="text"/>	Yes, my science courses did not transfer over which I was told they would have by my college. Also, I reached out to financial aid for assistant on helping me with gathering the correct forms to send in. I email them multiple times asking for help and all they sent back to me was a few words saying "just give us blank forms" I than reached out asking how and they were not helpful to me.
