

PRIORITY SIDEWALKS SNOW/ ICE CLEARING

Priority sidewalks will be cleared as soon as possible to provide access to campus from Res-Life buildings and from commuter parking lots. Sidewalks that connect building primary entrances to main campus sidewalks will be cleared as a part of the process. Priority sidewalks include the following:

- The north and south walks leading from the east side of Strong Hall to the west side of Carrington Hall.
- The north and south sidewalks that head from Carrington Hall to Lot 1/ National Avenue crossing.
- The sidewalk south of Hammons House heading south to Kings Street/ Grand Street crossing.
- The sidewalk south of Hammons House heading east to Hutchens House.
- The sidewalk west of Scholars House heading south to Plaster Student Union.
- The sidewalk on the west side of Plaster Student Union heading south to the Grand Street Underpass crossing.
- The sidewalk on the south side of Woods House heading south to the Grand Street Underpass crossing.
- The west sidewalk along John Q. Hammons Parkway between Grand Street crossing and the southeast entrance to Glass Hall.
- The east/ west sidewalk running alongside Carrington Hall to the north.
- The east/ west sidewalk running alongside Carrington Hall to the south.
- The sidewalk northeast of Bear Park South heading north to Bear Boulevard.
- The sidewalk south of Bear Park North to the Professional Building east entrance.
- Professional Building east entrance to McQueary Hall and O'Reilly Clinical Health Science Center.
