

Scholarships for Entering Transfer Students

Op5.08-11 Scholarships for Entering Transfer Students

This policy describes scholarships available to transfer students who enroll at MSU-Springfield **during or following the summer semester of 2014**. Students admitted for previous semesters should visit [requirements and renewal criteria](#) information regarding scholarships available prior to summer 2014.

General transfer scholarship policies

The following apply to all transfer scholarships unless otherwise indicated.

- Recipients must be transfer students from community colleges or MSU-West Plains.*
- Qualifying transfer credits must be completed following high school graduation and prior to enrollment at MSU.
- Students must not have enrolled at another four-year college or university following graduation from high school.*
- Students must apply for admission by the deadline specified for each scholarship and must be admitted.
- Scholarships can only be combined as noted. The combined value cannot exceed a total of \$4,500 per year. The value of out-of-state fee waivers is not counted toward this maximum.
- Transfer scholarships are renewable for one year only (total of four semesters) with the exception of the Out-of-State Fee Waiver, Midwest Student Exchange Program, and Continue the Tradition Fee Waiver.
- It is our intent to award scholarships that show the number available as “Varies” to all qualified students; however, offers may be limited based on availability of funding. For this reason, students are encouraged to apply early.
- Students must enroll at MSU the semester after leaving the other college and must be full-time at MSU.

[General Scholarship Policies](#) also apply to recipients of transfer scholarships.

**These requirements do not apply to the Out-of-State Fee Waiver, Midwest Student Exchange Program, and Continue the Tradition Fee Waiver.*
