To calculate the total Common Fee incurred each semester, multiply the total Common Fee for one (1) hour by the total number or credit hours enrolled for the semester.

Scope of the Required Student Fees Schedules

- *The required student fee schedule is subject to revision by the Board of Governors without notice.*

Exceptions to the Required Student Fee Schedule

The Vice-Chancellor of Academic Affairs has the authority to approve exceptions to the required student fee schedule for courses for which the fees must be negotiated with outside agencies.

Supplemental course fees will be charged in full for dual credit and dual enrollment courses, if applicable.

Program Fee

The non-refundable program fee of \$3,000.00 per semester is assessed for students who are selected for participation in the ASCEND program. ASCEND will provide additional support for students who have a diagnosis of Autism Spectrum Disorder or similar neurodivergent diagnosis and program fees will be utilized to aid in the delivery of needed support resources. A maintenance program (ASCEND-M) fee of \$1,500.00 per semester is available for second year students who may no longer have high level support needs. In 2024-2025, a grant has been received to cover the cost of the program and program fees will not have to be assessed to participants for the year.

Supplemental Course Fees

Supplemental course fees may be assessed on individual courses to cover the cost of specialized supplies, equipment or services for instruction purposes that are provided by the University to all students enrolled in the course and are in addition to routine instructional expenses. The listing of supplemental course fees in Appendix B will be identified in the catalog and class schedule and will be assessed at the time of registration.

There may be additional supplemental course fees needed during the year for selected courses. For such courses, the Chancellor of the West Plains Campus shall be authorized to recommend supplemental course fees. Supplemental fees recommended will be presented to the President for approval and reported to the Board of Governors at the next meeting of the Board.

Lost Identification Card Fee

There will be a \$5.00 charge for replacement of a lost student identification card.

Returned Check Charge Fee

A fee of \$30.00 will be charged to the person presenting a check to the University that is not honored by the bank on which the check is drawn. The charge will be for each check returned.

Credit Card Processing Fee

Missouri State University contracts with a third party to process credit card payments to pay balances on accounts for charges. The third-party processing company will charge a separate convenience fee which will apply to all credit card payments. Please review the Business Office website for payment options.

Diploma/Transcript Fees

All transcript requests will be made through Parchment, Inc. Electronic transcripts will cost \$7.50, and mail delivered transcripts will cost \$10.00. Transcripts for the China campus will be processed directly through Registration and Records at no cost.

A \$25.00 delivery fee will be charged for transcripts, enrollment verifications, and other documents sent via express or overnight mail inside the continental United States. International transcripts cost is \$47.50/transcript. The actual cost to the University will be charged for enrollment verifications, and other documents sent via express or overnight mail outside the continental United States. Third-party transcripts will be charged \$12.00 per transcript.

Reissued diploma requests will be made through Parchment, Inc. A \$5.00 delivery fee will be charged by Parchment, Inc. for reissued diplomas.

International Programs Academic Experience Fee

An International Programs Academic Fee (IPAEF) must be paid by individuals traveling with an international Education Abroad program and/or participating in an international academic experience. West Plains students participating in a West Plains short-term faculty-directed program will pay a \$50.00 fee. West Plains students participating in a short-term faculty-directed program through the Springfield campus will pay the Springfield IPAEF of \$150. All students participating in an international Education Abroad program or international academic experience are required to carry University-approved health insurance that includes emergency medical, political, or natural disaster evacuation, as well as repatriation of remains. The cost of insurance is included in the International Programs Academic Experience Fee. This fee is non-refundable.

Refunds for Classes with a term* of 19 days or less (including Intersession)

The refund for courses with a term* of 19 days or less (including Intersession) is 100% if the class is dropped by the end of the first day of the term. After the first day of the term, refunds are made on the basis of the number of days in the term per the following schedule:

Number of Days in Term	100%	75%	50%	25%
1	Prior to day 1	n/a	n/a	n/a
2	1	n/a	n/a	n/a
3	1	2	n/a	n/a
4	1	2	n/a	3
5	1	2	3	4
6	1	2	3	4
7	1	2	3	4
8	1	2	3	4
9	1	2	3	5
10	1	2	3	5
11	1	2	3	6
12	1	2	4	7
13	1	2	4	7

17	1	3	5	9
18	1	3	5	10
19	1	3	5	10

Refunds for Classes with a term* of 20 days or more:

The refund for classes with a term* of 20 days or more is 100% if the class is dropped before the end of the second day of the term (even if the class does not meet on the second day of the term). Additional refund periods are proportionate to the refund periods described above for full semester classes. Refund deadlines are calculated as follows:

- 75% refund = 0.133 times the length of term
- 50% refund = 0.267 times the length of term
- 25% refund = 0.533 times the length of term

Standard rounding rules apply (e.g., the 75% refund deadline for a 25-day term is 0.133×25 or 3.325, which will be rounded down to day 3; the 50% refund deadline for a 25-day term is 0.267×25 or 6.675, which will be rounded up to day 7). The Office of the Registrar maintains refund deadline dates for each class length.

*For classes that are not full semester classes, refunds are based on the 'length of term.' For those classes, the 'term' begins with the start date of the class and ends with the end date. The length of term is the number of days in that period, including the start and end date but excluding weekend and holidays when classes are not in session.

Student Services Fee Refunds

If a student drops during the 100% refund period for tuition (as indicated above), then 100% of the Common Fee will be refunded. No refund of the Common Fee will be issued for students who drop after the 100% refund period, unless officially approved through the Refund Exception Appeal Committee.

Supplemental Course Fee Refunds

If a student drops a course(s) during the 100% refund period for tuition (as indicated above), then 100% of supplemental fees for the course(s) being dropped will be refunded (with the exception of fees that have already been expended on the part of the student, or an access code that has been opened). No refund of supplemental or section fees is issued for students who drop a course(s) after the 100% refund period, or for an access code that has been opened/used that was purchased through use of a supplemental course fee.

Refunds for Recipients of Federal Aid

For students who are recipients of Federal Title IV student aid, refunds will be made in accordance with all applicable federal regulations.

Refunds for Non-Attendance

Students will be administratively withdrawn for the following circumstances:

- Reported as Never Attended by the
 - 10th class day of the 16-week or longer term
 - 7th class day of the 8-week term
 - 4th class day of the 5-week and 4-week term
 - 2nd class day of a 2-week or less term
- Determined to have enrolled in a course without the appropriate pre-requisite course
- Are academically suspended and have not been reinstated through the academic appeal process

Students who are administratively withdrawn will have their schedule removed and tuition and fees will be refunded at 100%. However, non-tuition related charges will continue to be the responsibility of the student.

Changes of Schedule

Students who drop courses during the change of schedule period will receive a credit on their account in accordance with the Required Student Fees Refund Schedule (see Required Student Fees Refund Schedules). Because courses are not supposed to be added after the change of schedule period, dropped courses, and added courses (including section changes), **will result** in an additional financial obligation for the student. Exceptions may be granted when the department of the course(s) dropped and added provides written verification to the Office of Academic Affairs stating that the late schedule change was required or recommended by the department. Courses may be added during the change of schedule period. Additional cost of courses added must be paid at the time the change of schedule is processed, or the student must be completely enrolled in the My Payment Plan.

Exceptions to the Withdrawal and Change of Schedule Fee Refund Policy

Exceptions to the withdrawal and change of schedule fee refund policy must be approved by the Refund Exception Appeal Committee. Appeals must be submitted within one month of the date of the withdrawal or change of schedule and should be accompanied by appropriate supporting documentation. The Refund Exception Appeal Request form can be found at <https://wp.missouristate.edu/recreg/forms.htm>.

Missouri State University-West Plains will make the following efforts to identify students who are registered but not attending classes:

- Attendance tracking – Instructors will monitor class rosters. After the allotted time for attendance to be reported, instructors will report students who meet the following conditions:
 - o A student is attending class but not on their class roster.
 - o A student is listed on the class roster but not attending class.
- If a student is attending but is not registered, the registration and records office notifies the student via University email and requests he/she contact the office immediately to resolve the situation. Students registered but not attending classes will be withdrawn from all classes or dropped from the class they are not attending.
