**WHEREAS**, it has been determined that the previously approved Refunds for Dual Credit Classes needs to be revised; and

**WHEREAS**, the President has approved the attached proposed revisions to the Fee Schedule on April 26, 2026; and

## **COMMENTS:**

### **Rationale for Dual Credit Refund Schedule Revision**

The originally approved refund schedule did not allow sufficient time to fully process dual credit registrations, which require coordination with high schools and additional eligibility verification.

The revised dates provide an extension to ensure registrations are accurately processed before refund deadlines, reducing administrative errors and preventing students from incurring charges prior to confirmed enrollment.

This change aligns billing timelines with operational processes and improves the overall student and family experience without altering the program's financial structure.

**Missouri State University

Hammons Hall for the Performing Arts, GSB Arena, Hammons Student Center, Plaster Sports Complex, Bill R. Foster and Family Recreation Center and other University facilities to the Vice President with administrative responsibility for each facility.

**BE IT FURTHER RESOLVED**, understanding that unanticipated circumstances may require immediate action, and to be able to respond efficiently as necessary in the judgment of the President, that the President of the University is hereby authorized to establish and implement additional fees, or make appropriate modifications to the fees as set forth here, except for "Required Student Fees," and that such fees will be immediately effective upon action by the President, but will be reported to the Board at the next meeting of the Board by either the President, Vice President for Administration and Finance or the Assistant Vice President for Finance and Accounting.
