**Refunds for Classes with a term\* of 20 days or more:**

The refund for classes with a term\* of 20 days or more is 100% if the class is dropped before the end of the second day of the term (even if the class does not meet on the second day of the term). Additional refund periods are proportionate to the refund periods described above for full semester classes. Refund deadlines are calculated as follows:

- 75% refund = 0.133 times the length of term
- 50% refund = 0.267 times the length of term
- 25% refund = 0.533 times the length of term

Standard rounding rules apply (e.g., the 75% refund deadline for a 25-day term is  $0.133 \times 25$  or 3.325, which will be rounded down to day 3; the 50% refund deadline for a 25-day term is  $0.267 \times 25$  or 6.675, which will be rounded up to day 7). The Office of the Registrar maintains refund deadline dates for each class length.

\*For classes that are not full semester classes, refunds are based on the 'length of term.' For those classes, the 'term' begins with the start date of the class and ends with the end date. The length of term is the number of days in that period, including the start and end date but excluding weekend and holidays when classes are not in session.

**Student Services Fee Refunds**

If a student drops during the 100% refund period for tuition (as indicated above), then 100% of the Common Fee will be refunded. No refund of the Common Fee will be issued for students who drop after the 100% refund period, unless officially approved through the Refund Exception Appeal Committee.

### **Supplemental Course Fee Refunds**

If a student drops a course(s) during the 100% refund period for tuition (as indicated above), then 100% of supplemental fees for the course(s) being dropped will be refunded (with the exception of fees that have already been expended on the part of the student, or an access code that has been opened). No refund of supplemental or section fees is issued for students who drop a course(s) after the 100% refund period, or for an access code that has been opened/used that was purchased through use of a supplemental course fee.

### **Refunds for Recipients of Federal Aid**

For students who are recipients of Federal Title IV student aid, refunds will be made in accordance with all applicable federal regulations.

### **Refunds for Non-Attendance**

Students will be administratively withdrawn for the following circumstances:

- Reported as Never Attended by the
  - 10<sup>th</sup> class day of the 16-week or longer term
  - 7<sup>th</sup> class day of the 8-week term
  - 4<sup>th</sup> class day of the 5-week and 4-week term
  - 2<sup>nd</sup> class day of a 2-week or less term
- Determined to have enrolled in a course without the appropriate pre-requisite course
- Are academically suspended and have not been reinstated through the academic appeal process

Students who are administratively withdrawn will have their schedule removed and tuition and fees will be refunded at 100%. However, non-tuition related charges will continue to be the responsibility of the student.

### **Changes of Schedule**

Students who drop courses during the change of schedule period will receive a credit on their account in accordance with the Required Student Fees Refund Schedule (see Required Student Fees Refund Schedules). Because courses are not supposed to be added after the change of schedule period, dropped courses, and added courses (including section changes), **will result** in an additional financial obligation for the student. Exceptions may be granted when the department of the course(s) dropped and added provides written verification to the Office of Academic Affairs stating that the late schedule change was required or recommended by the department. Courses may be added during the change of schedule period. Additional cost of courses added must be paid at the time the change of schedule is processed, or the student must be completely enrolled in the My Payment Plan.

### **Exceptions to the Withdrawal and Change of Schedule Fee Refund Policy**

Exceptions to the withdrawal and change of schedule fee refund policy must be approved by the registration and records office. Appeals must be submitted within one month of the date of the withdrawal or change of schedule and should be accompanied by appropriate supporting documentation. The Refund Exception Appeal Request form can be found at <https://wp.missouristate.edu/recreg/forms.htm>.

Missouri State University-West Plains will make the following efforts to identify students who are registered but not attending classes:

- Attendance tracking – Instructors will monitor class rosters. After the allotted time for attendance to be reported, instructors will report students who meet the following conditions:
  - A student is attending class but not on their class roster.
  - A student is listed on the class roster but not attending class.
- If a student is attending but is not registered, the registration and records office notifies the student via University email and requests he/she contact the office immediately to resolve the

situation. Students registered but not attending classes will be withdrawn from all classes or dropped from the class they are not attending.
