PEER LEADERS

CENTER FOR ACADEMIC SUCCESS AND TRANSITION

WHO IS A PEER LEADER?

Peer Leaders are students who are selected to partner with a CEP 101 instructor and create a network of support for incoming first-year students.

Peer Leaders are able to accomplish this goal by building a working relationship with their partnered instructor, spending time with the students in the classroom, sharing their own knowledge of MSU and college with students, and more. There are a variety of opportunities available to Peer Leaders to help them grow in their leadership skills

"As a Peer Leader, I grew more as a person in four months than any other time in my college life"
