LEARN FROM THE EXPERTS

MSU LEAD is a comprehensive training program designed for MSU supervisors who complete an ADP for at least one direct report.

EMPOWERING MSU SUPERVISORS

Participating in the MSU Lead program empowers supervisors to refine their leadership and managerial skills.

RELEVANT POWER SKILLS

Courses cover timely and relevant content that is tailored specifically for MSU supervisors.

EXPAND YOUR NETWORK

Develop and grow your network with other MSU supervisors while collaborating on collective challenges.

What LEAD Graduates say:

"This program sharpened my ability to navigate challenges, empowered me with practical tools to lead with clarity, and strengthened how I guide, support, and motivate others to succeed."

Stacey Trewatha-Bach
Assistant Director,
Office of Public Affairs Support

The holistic and culturally responsive training prepared me for leadership at MSU through valuable insights, meaningful connections with campus leaders, and a deeper understanding of MSU's public affairs mission."

J Camille Hall
School Director, McQueary College of
Health & Human Services
