What has occurred

Sunday, May 31st 6:00 AM – 11:00 AM – My Missouri State Springfield was upgrading the My Missouri State platform from Luminis 5.3 to Luminis 5.4. The version, that we are currently on, can only use Java 7, which is no longer supported. So this was the pressing reason for Springfield to do the upgrade. In addition to the upgrade, these were four Hotfixes that applied along with the version update.

Sunday, May 31st 6:00 AM – 01:00 PM – Banner Upgrades
Two upgrades were applied: Financial Aid upgrades to 8.38/9.3.20 and Ethos upgrade to 9.19

Monday, June 1, 2020 – Single Sign On was turned on for Zoom.
