YOUR DIGITAL BEARPASS CARD

Your BearPass Card…now available in Apple Wallet, Google Wallet, and Samsung Wallet!

The **Digital BearPass Card** is available to all enrolled students and current employees acts just like your physical BearPass Card and now you can add it to your preferred digital wallet. You can use your **Digital BearPass Card** by tapping your iPhone, Apple Watch, Samsung Galaxy, or other eligible Android phones at readers across campus at locations including:

- On-Campus Dining
- Campus Recreation
- Missouri State Bookstore
- Meyer Library
- Door Access (excluding Residence Halls)

Your physical BearPass Card will continue to work after you add your **Digital BearPass Card**, and you can have a **Digital BearPass Card** active on your phone and watch at the same time.

Getting Started

Minimal set up is required to use your **Digital BearPass Card**. Most users can begin using their **Digital BearPass Card** on their phone in minutes. An approved photo is required and you must be a current MSU student or employee.

1. If you haven't done so already, set up your Missouri State Account.
   Article - How to Set Up the Microsoft... (teamdynamix.com).

2. Once you have received your Missouri State Account, verify you have an approved photo to be displayed on your **Digital BearPass Card** at:
   https://www.missouristate.edu/onlinephotosubmission

3. Follow the setup guides below for your platform of choice:
   a) Apple Wallet
   b) Google Wallet
   c) Samsung Wallet
