McQueary College of Health and Human Services

**Missouri State** | SCHOOL of NURSING

*It's your time to*

**MAKE A DIFFERENCE.**

START OR ADVANCE YOUR CAREER IN THE SCHOOL OF NURSING.

 [MissouriState.edu/Nursing](https://MissouriState.edu/Nursing)

#### WANT TO LIVE WITH OTHER BEARS WHO LOVE WHAT YOU LOVE?

In our residence hall living-learning communities, or LLCs, students with similar academic interests live, study and socialize together. We have Future Health Care Professionals LLC. It doesn't cost you any more to live in the LLC.

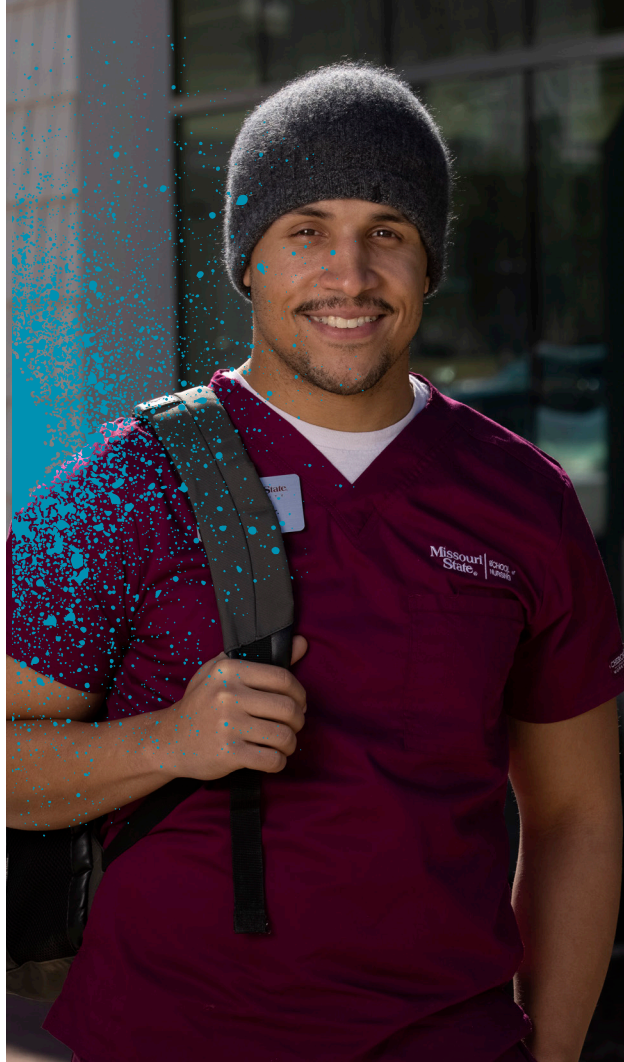

#### Missouri State's Public Affairs Mission

Missouri State has a public affairs mission and it's what makes us different. Ethical leadership. Cultural competence. Community engagement. These are guiding principles in how we educate our students. These skills are critical in health care.

Our net price calculator allows you to find the cost of attending Missouri State and gives you estimates of federal, state and institutional aid.

## ARE YOU CALLED TO A CAREER IN NURSING? WE'RE HERE TO FULLY PREPARE YOU FOR YOUR FUTURE.

You will find the options you need, whether that's bachelor's or doctoral degrees, seated or online classes. No matter where you are on your journey of providing health care, we can help you advance.

### In Missouri State's nursing program, you will:

- Live by a code of ethics and adopt a culture of caring.
- Have access to state-of-the-art simulation labs and experiential learning opportunities.
- Gain a holistic view of the health care system so you can provide the best patient care.
- Participate in clinicals, practicums and faculty research.
- Build strong connections in the community.
- Benefit from a great mix of face-to-face and clinical learning modes.

### EXPLORE OUR PROGRAMS

**Pre-Nursing:** This program helps you complete nursing prerequisite course work required for our nursing program or other nursing schools. We have the highest enrollment of any pre-professional major on campus.

**Bachelor of Science in Nursing:** You will receive one-on-one attention from faculty as you complete this exceptional clinical program. In this cohort system, you'll form bonds with other nursing students.

#### Bachelor of Science in Nursing-Completion

**Online:** If you're already an RN, earn your bachelor's. This online program is a series of 8-week classes. It's flexible and ideal for working nurses. It can be completed in as little as a year.

### CONTINUE YOUR EDUCATION

Once you complete your undergraduate degree, apply for our graduate programs. Earn a master's in Population Health Leadership, become a Family Nurse Practitioner or earn a Doctor of Nursing degree. You can also explore other areas such as Criminology, Anesthesia and Health Care Management. We offer a variety of graduate certificates, too. ### JONATHAN OBERDIECK

*Works in NICU at CoxHealth*

"Missouri State's School of Nursing definitely prepared me to work as a new nurse and pass the NCLEX-RN in one try. The nursing faculty work hard to instill the critical thinking skills which are so essential to becoming an effective nurse. I applied, interviewed and accepted a local graduate nurse position seven months before graduation! And my situation is not unique. A nursing degree gives you the freedom to quickly find employment anywhere you want in the country."

### WHY MISSOURI STATE?

**Affordability:** Missouri State is less expensive than most regional universities and well below the national average. Here, you get an excellent education at an affordable price.

**Interprofessional education:** We believe in a well-rounded, health care education. You will collaborate with physical therapists, physician assistants, social workers and more to prepare you for the real world. You'll be exposed to a variety of clinical experiences.

**Flexibility:** You can take seated, online and hybrid classes. There are clinicals in the evening and weekends, so this is an excellent option for working professionals.

**Excellent faculty:** Our faculty are experienced practitioners in the field and are ready to be your mentors. They are focused on your success.

**Outstanding facilities:** You will have access to our state-of-the-art nursing simulation lab, human cadaver laboratories, clinical ultrasound equipment, MSU Care Clinic and more. The MSU Care Clinic serves uninsured low-income adults.

### OUR BACHELOR OF SCIENCE IN NURSING IS ACCREDITED BY THE COMMISSION ON COLLEGIATE NURSING EDUCATION.

The BSN, MSN, DNP and post-graduate Health Educator and Population Health certificate programs at Missouri State University are accredited by the Commission on Collegiate Nursing Education, 655 K Street NW, Suite 750, Washington, DC 20001, 202-887-6791.
