Dear Graduate Student,

Welcome to the Missouri State School of Nursing Graduate Programs! We are so glad you have chosen MSU to pursue your graduate degree! Our Graduate Programs are designed to prepare nurses at an advanced level. Our Graduate Programs will prepare nursing leaders who have the knowledge and skills to assume pivotal roles to address the health disparities of vulnerable and rural populations to improve health outcomes.

The journey will be arduous at times, but so fulfilling upon completion. The Graduate faculty are here to lead you along your journey.

This handbook is designed to guide you through the policies of our Graduate Programs. It is of upmost importance that you familiarize yourself with the contents and refer back to the handbook often.

We have high expectations of you. At the completion of this program, you will be prepared to function in a variety of community and acute care health settings as primary care providers, leaders, managers, or consultants. We will support you in any way we can, but the journey is yours. We are committed to your success!

We welcome you!

Sincerely,

Dr. Melissa Penkalski

Dear Graduate Student,

Welcome to the Missouri State School of Nursing Family Nurse Practitioner Program! We are so glad you have chosen us! During your time in our program you will learn the foundational elements necessary to become a safe, skilled Family Nurse Practitioner (FNP). Patient safety through evidence-based practice will be the cornerstone of your education. The journey will be arduous at times, but so fulfilling upon completion. The FNP faculty are here to guide you along your journey.

This handbook is designed to guide you through the policies of our FNP program. It is of utmost importance that you familiarize yourself with the contents and refer back to the handbook often.

We have high expectations of you. At the completion of this program, you will be prepared to care for a human life in the primary care setting. Assessing, diagnosing, treating, and evaluating...these are critically important elements we will teach you. Possessing and utilizing this knowledge results in a huge responsibility. We will show you the path, but the journey is yours. We are committed to your success!

We welcome you!

Sincerely,

Dr. Shelley Carter DNP, APRN, FNP-C

FNP Program Coordinator

Clinical Assistant Professor
