Crafting Your Elevator Pitch: Stand out in 60 seconds!

Join us for an engaging workshop designed specifically for second-year graduate international students! This session will explore the importance of an elevator pitch* in professional networking and personal branding. You'll learn key elements of an effective pitch, including clarity, conciseness, and confidence.

This workshop aims to prepare students for a friendly competition where selected students will showcase their skills to prospective employers at the ***International Talent Summit on February 28, 2025.***
