Second Language: Portuguese

EDUCATION

Ph.D. New Mexico State University July 1998
Major: Curriculum and Instruction

M.S. Indiana State University August 1995
Major: Athletic Training

B.S. Weber State University June 1994
Major: Lifestyle Management

ADMINISTRATIVE EXPERIENCE SUMMARY

President August 2014 – Jan 2024
Utah Tech University (Formerly, Dixie State University)

Provost and Vice President for Academic Affairs July 2013- August 2014
Indiana State University

Founding Dean July 2008- June 2013
College of Nursing, Health and Human Services
Indiana State University

Associate Dean Sept 2007 – June 2008
College of Education, University of Northern Iowa

Executive Associate Director February 2006 – Sept 2007
Health, Physical Education & Leisure Services
University of Northern Iowa

Founding Chairperson April 2002 – August 2006
Division of Athletic Training
University of Northern Iowa

Founding Program Director
Athletic Training
University of Northern Iowa

August 1998- August 2006

PROFESSIONAL EXPERIENCE

President
Utah Tech University
St. George, Utah

August 2014- Jan 2024

Utah Tech University is an open, inclusive, comprehensive polytechnic institution. Utah Tech has six academic colleges including: Business, Education, Health Sciences, Science Engineering & Technology, Humanities and Social Sciences, and the Arts.

University Achievements:

Diversity, Equity, and Inclusion:

- Created new space for the Center for Inclusion and Belonging and hired full time support staff including the university's first Chief Diversity officer, LGBTQ+ Coordinator, Latinx Coordinator and Women's Resource Center Coordinator.
- Recognized as a top diversity employer by Diversityjobs.com.
- Increased women in leadership positions by 54% and moved all employees to 100% of market salary benchmark.
- Created two faculty cohort groups to participate in inclusive pedagogy training and championed the University name change from Dixie State University to Utah Tech University.

Academic Program Development & Institutional Effectiveness:

- Oversaw the Utah Tech COVID-19 Crisis Leadership Team. Welcomed a 7% fall and 4.4% spring enrollment increase with no major budget cuts/layoffs during the pandemic.
- Successfully oversaw the Northwest Commission on Colleges and Universities accreditation reaffirmation with a 10-year award (Fall 2020).
- Welcomed the addition of 204 academic programs from 2014-2023 (1 Clinical Doctorate, 7 master's, 35 baccalaureate, 12 associates, 59 certificates, 49 emphases, and 41 minors) and launched Utah Tech University online.

- Solicited \$1.5 million ongoing funding from the Utah State Legislature for creating a partnership program with the University of Utah to start programs in Physician Assistant Studies, Physical Therapy, and Occupational Therapy.
- Welcomed the first national rankings (US News & World Report) in school history.

Student Success:

- Increased enrollment by 42%, degrees awarded by 60%, concurrent enrollment by 283% and retention by 5%.
- Developed the Trailblazer Engagement Center, Dixie Serves Volunteer program and the Community and Global Engagement Division.
- Instigated first Collegiate Hope Squad, added mental health counseling, and created the new Booth Health and Counseling Center.
- Created offices of General Counsel, Title IX, Student Success, Community Engagement, Institute of Politics, Booth Honors and Veterans Success Center.

Athletics:

- Reclassified the Department of Intercollegiate Athletics from Division II to Division I and rebranded the athletic identity from Red Storm to Trailblazers.
- Doubled the budget of Intercollegiate athletics and solicited \$1.3 million from state legislature in support of student athlete academic excellence.
- Built the Burns North Addition which included a home for the Department of Intercollegiate Athletics, as well as a new tennis complex, Trailblazer Swimming Complex, and Trailblazer Sports Medicine Center.
- Oversaw the funding and construction of Greater Zion Stadium including the east grandstand, track, football field, throwing events area, long jump, west grand stand, directors club, loge seating, suites, stadium sports medicine and new football locker room.

Innovation:

- Received a \$3 million gift to name and create Atwood Innovation Plaza (AIP), a 53,000+ sq. ft. elementary school renovated into a business resource center, maker space and business incubator.
([https:// innovation.utahtech.edu](https://innovation.utahtech.edu))
- Innovation Guidance and Solutions Center, within the AIP, assisted with 227 patent applications filed (123 approved), 26 copyrights issued, 138 trademarks submitted and over 128 businesses started.

- The Utah Tech University Library obtained Patent and Trademark Resource Center designation by the United States Patent and Trademark Office.
- Secured \$15 Million Landbank request from Utah State Legislature to purchase 183 acres to create branch campus including new innovation district.
- Supported the creation of the Utah Tech University Innovation District vision. (<https://innovation.utahtech.edu/innovation-district/>)

Operations, Budget, & Infrastructure:

- Led the development of two University Strategic Plans; Trailblazing Distinction 2025 and Dixie 2020 Status to Stature.
- Obtained state support to build the Human Performance Center (\$25m of \$60m), the Science, Engineering, & Technology building (\$50m of \$52m), and the General Classroom Building (\$56m of \$70m).
- Solicited over \$20 million in landbank requests from the Utah State Legislature (Innovation Plaza, University Plaza, Desert Color Campus, St. George Fire Station 1)
- Solicited the largest single donation in school history (\$10,000,000) and largest in-kind gift in school history (\$9,000,000).
- Nearly doubled scholarship funds awarded to students (\$10.4m - \$19.8m) and expanded the university base budget by 50%.
- Supported the accreditation of the Utah Tech University Police Department by the International Association of Campus Law Enforcement Administrators (IACLEA). Only 7% of universities in U.S. have this accreditation.
- Initiated the renovations of the Ace Center, Browning Building, Education Building, MacDonald Building, Brooks Stop, Smith Computer Center, International Student Office, North Administration, South Administration, Idea Room, Boeing Auditorium (financial education center), Health and Counseling Center, Cox Auditorium, and Hurricane Education Center,
- Built the first new housing units in over 50 years; Campus View Suites I (352 beds, \$20m), Campus View Suites II (534 beds, \$48m), and Campus View Suites III (560 beds, \$75m).

Community Engagement:

- Welcomed the community to campus: Spring Fest, Tricks or Treats Fest, Tree Lighting Celebration, Community Kite Festival, 4th of July community

celebration, Pioneer Legacy Celebration, etc. Over 1 million total event bookings the past 9 years.

- Promoted the Trailblazer Art in the City Project, placing 23 bison art projects within the community, a town and gown initiative.
- Supported the City Alliance program, an initiative that helps create an economically strong and socially vibrant future by connecting campus resources with community needs. Partnered with St. George City (2021), City of Santa Clara (2022), and Springdale City (2023).
- Over the past decade over 25,000 community members participated in 250 classes, workshops and programs on our campus. There are 950 community members participating in our Institute of Continued learning.

Provost and Vice President for Academic Affairs July 2013- August 2014
Professor of Athletic Training
Indiana State University
Terre Haute Indiana

Achievements:

- Welcomed the #1 National Ranking by Washington Monthly College Guide in the category of community service participation and hours worked by students, faculty and staff.
- Implemented the creation of Enrollment and Student Success Plans by each academic department.
- Saw an increase in student retention fall to spring semester.
- Oversaw the integration of the strategic plan specifically identifying departmental dashboards of success.
- Facilitated the reorganization of the Math and Writing Center.
- Re-established the Center for Teaching Excellence.
- Developed the Student Success Task Force that created new handbook language that promoted student success.
- Established the requirement and data base of External Advisory Boards utilized by major programs within academic affairs.
- Initiated the development of a general studies baccalaureate degree.
- Re-organized summer school offerings that promoted and enhanced degree completion and student success.

Interim Executive Director April 2012- September 2012
Rural Health Innovation Collaborative

The mission of the Rural Health Innovation Collaborative (RHIC) is to improve and expand interprofessional education, training, and deployment of future health care providers, especially for those committed to serving rural populations. The RHIC also serves as an economic engine for west-central Indiana through the

development of health care-related jobs and a catalyst for neighborhood revitalization in Terre Haute. The partners within the RHIC include Indiana State University, Indiana University School of Medicine, Union Hospital, Ivy Tech Community College- Wabash Valley, Terre Haute Economic Development Corporation, City of Terre Haute, Vermillion-Parke Community Health Center, Hamilton Center, Indiana Rural Health Association, and the Indiana Area Health Education Centers (AHEC). (www.therhic.org, description September 2012)

Founding Dean

July 7, 2008 – June 30, 2013

College of Nursing, Health, and Human Services

Professor of Athletic Training

Indiana State University

Terre Haute, Indiana

Achievements

- Initiated workforce analysis study through the IU School of Medicine Bowen Research Center. The study identified academic programs of need and served as the foundation for new program proposals and strategic plan development.
- Led the development and implementation of the 2009-2014 College of Nursing, Health, and Human Services Strategic Plan.
- Identified, encouraged, and facilitated the creation of new programs including: Doctoral degrees in Physical Therapy, Nursing Practice, Health Sciences (DHSc), and Sport Management (C&I concentration); Master degrees in Physician Assistant Studies, Social Work and Occupational Therapy; an accelerated Baccalaureate program in Nursing; Baccalaureate in Applied Science (Health and Nursing); Concentrations in Health Administration, Health Psychology, Environmental Health, and Public Health Nutrition; Minors in Massage Therapy, and Recreation Management and Youth Leadership; Certificate program in Gerontology.
- Facilitated the development and approval of the promotion and tenure guidelines, the constitution and bylaws, and the organizational structure of the college.
- Led the College in increasing enrollment by 97% (2008=1,458; 2014=2,867 students), degrees awarded by 21% (365-440), articles published annually increased by 50% (88-132), and community engagement activities by 115% (120-258).
- Established the leadership team for the new college. Hired three associate deans and seven department chairpersons.
- Increased the faculty by 75% (58/2008 to 102/2014) and the staff by 36% (36/2008 to 49/2014).
- Led the development of a building prospectus that produced an \$80 million renovation plan for the arena building.
- Developed, in partnership with faculty, the McKee Nursing Living Learning Center, a residential learning center for nursing students and secured the endowment gift that established and supports the center.

- Successfully led the College in raising \$3.75 million toward the first ISU comprehensive campaign in just three years.
- Established a partnership with Union Hospital and Ivy Tech Community College to create a new Inter-professional Simulation Center (www.rhicsimcenter.org) and a \$100 million interprofessional academic building prospectus.
- Supported the development of three new clinics: Physical Therapy and Sports Rehabilitation, St. Ann's Rehabilitation (free clinic), and the Center for Health, Wellness, and Life Enrichment (Convenient Care).

Associate Dean, College of Education September 7, 2007 - June 30, 2008
University of Northern Iowa
Cedar Falls, Iowa

Achievements

- Developed the College of Education Briefing Book, a 110-page marketing piece for external and internal stake holders. The briefing book contained the college history, points of distinction, fundraising initiatives, and white papers.
- Created the marketing plan for reporting monthly news worthy activities within the college.
- Coordinated the creation of the college alumni magazine, *Excellence in Education*.
- Facilitated the "Decorate the Education Center" initiative. An initiative soliciting art work from school age children from across the state of Iowa.
- Established the first annual College of Education Family Fest Weekend open house. (Over 500 parents attended the open house)
- Oversaw the development of the capital campaign priorities for the College of Education.
- Organized the College of Education White Paper initiative. Seven white papers were created within a six-month period of time.
- Established a college scholarship committee to oversee the distribution of scholarship dollars. The committee distributed 99% of the funds compared to 47% the previous year.
- Coordinated the assessment committee, College of Education budget, equipment requests, travel grants, and building repairs.

Executive Associate Director February 2006 - September 6, 2007
School of Health, Physical Education, and Leisure Services
University of Northern Iowa
Cedar Falls, Iowa

Achievements

- Coordinated the development of the 2007-2011 Strategic Plan for the School of Health, Physical Education, and Leisure Services.
- Oversaw the improvement and redesign of the school website.

- Facilitated the development of outcome assessment plans for each of the five divisions within the school.
- Identified the key stakeholders for each academic division and created an action plan for alumni engagement.
- Administrated the annual awards for the School of HPELS.
- Organized community college student recruitment visits for the school.
- Created the Academic Review Implementation Plan.
- Organized the curriculum committee and facilitated the creation of new program proposals.
- Led the development of the Human Performance Center, which included organizing the architectural meetings, attending construction meetings and identifying equipment/furnishing needs.
- Coordinated the public relations and marketing activities of the school.

Founding Chair, Division of Athletic Training

April 2002 - August 2006

University of Northern Iowa
Cedar Falls, Iowa

Achievements

- Led the development and implementation of the Division of Athletic Training strategic plan.
- Created the Division of Athletic Training, a new division within the School of Health, Physical Education, and Leisure services.
- Successfully integrated the Sports Medicine Department from the Department of Intercollegiate Athletics into the academic division.
- Developed, proposed, and implemented the Athletic Training Master degree program.
- Formed the Division of Athletic Training External Advisory Group.
- Led the creation of the Athletic Training Education Program website.
- Created the private-public partnership between the UNI Athletic Training Education Program and the medical community.
- Successfully developed and proposed the doctoral intensive study (Ed.D) area in Rehabilitation Studies.
- Coordinated all new student advising, recruiting, and initial contacts.

Associate Professor, Program Director- Athletic Training

University of Northern Iowa
Cedar Falls, Iowa

March 2004 - August 2006

Achievements

- Led the CAATE re-accreditation for the undergraduate Athletic Training Education Program (October 2006, 7-year award).
- Successfully solicited \$83,000 for athletic training graduate assistantships from UNI President's office.
- Obtained eight community funded graduate assistantships for the graduate athletic training education program.

- Collaborated with fifteen off-campus clinical supervisors for undergraduate clinical experiences.
- Recruited thirteen students to begin the Master of Science degree program the inaugural year.
- Entertained over 300 parents at the 2005 and 2006 Family Weekend open house.
- Successfully held the first graduate awards banquet.
- Attained the enrollment goal of having over 100 students in the entry-level athletic training education program.

Assistant Professor
Program Director- Athletic Training
University of Northern Iowa
Cedar Falls, Iowa

August 1998 - March 2004

Achievements

- Developed and implemented the strategic plan for the undergraduate athletic training education program.
- Developed and successfully proposed the Athletic training major, approved by the Iowa Board of Regents.
- Wrote the CAAHEP Self Study for the entry-level Athletic Training Education Program and secured the initial CAAHEP accreditation.
- Established ten on campus and nine off-campus clinical rotations for the entry-level Athletic Training Education Program.
- Recruited fifty students into the entry-level Athletic Training Education Program in four years; started with eight students in 1998.
- Served as the faculty advisor for the UNI Student Athletic Trainer Organization which raised over \$10,000.
- Chaperoned twenty athletic training students that attended the National Athletic Trainers' Association (NATA) annual meeting.
- Created and hosted the first annual athletic training education program graduation ceremony.
- Established Athletic Training awards and scholarships for the entry-level education program.
- Helped solicit \$2.5 million for the construction of the Human Performance Center.
- Conceptualized the Human Performance Center.

Teacher/Head Athletic Trainer
Del Valle High School
El Paso, Texas

December 1997 - May 1998

Responsibilities

- Implemented and coordinated the responsible thinking classroom, a new student success initiative for the school.

- Oversaw the day to day operation of the athletic training room.
- Controlled budget and inventory for the athletic training room.
- Provided athletic training coverage for 18 high school sports.

Teacher/Head Athletic Trainer

August 1995 - May 1997

El Paso High School & Lamar Elementary
El Paso, Texas

Responsibilities

- Taught four hours of K-6 physical education courses (Lamar Elementary).
- Taught secondary sports medicine courses (El Paso High School).
- Established a student athletic training program.
- Coordinated all athletic training services.
- Provided athletic training coverage for 18 high school sports.
- Processed and submitted all insurance claims.

Graduate Assistant

June 1994 - June 1995

Indiana State University
Terre Haute, Indiana

Responsibilities

- Sullivan High School, Co-Head athletic trainer.
- Research Assistant for Dr. Ken Knight.

TEACHING/CURRICULAR DEVELOPMENT

Programs Developed

Utah Tech University (Administrative (President) Oversight)
(Baccalaureate, Master & Doctoral Degrees, other degrees provided upon request)

Master in Sport Management	March 2023
Master in Fine Arts: Studio Professional	March 2023

Bachelor in Data Science	January 2023
Bachelor in Hotel and Resort Management	January 2023
Masters in Nursing Education Leadership	September 2022
Special Education	September 2022
Doctor in Occupational Therapy	July 2022
Bachelor in Mechatronics	March 2022
Bachelor in Geological Science	March 2022
Bachelor in ASL/English Interpreting	January 2022
Bachelor of Applied Science in Professional Studies	January 2021
Bachelor of Applied Science in Enterprise Management	October 2020
Bachelor of Applied Science in Technology	October 2020
Bachelor in Software Engineering	April 2020
Bachelor in Information Technology	January 2020
Bachelor in Computer Engineering	January 2020
Bachelor in Respiratory Therapy	January 2020
Bachelor in Earth, Energy, and Environmental Science	January 2020
Bachelor in Electrical Engineering	January 2020
Master of Athletic Training	May 2019
Master of Technical Writing and Digital Rhetoric	May 2019
Master of Marriage and Family Therapy	May 2019
Bachelor of Marketing (BA/BS)	May 2019
Bachelor of Applied Science Health Science	May 2019
Bachelor of Design (BA/BS)	September 2018

Bachelor of Molecular Biology-Biochemistry	September 2018
Bachelor of Applied and Computational Math	October 2018
Bachelor of Music Performance	May 2018
Bachelor of Mechanical Engineering	March 2018
Master of Accountancy	February 2018
Bachelor of Applied Sociology (BA/BS)	January 2017
Bachelor of Bioinformatics	January 2017
Bachelor in Population Health	May 2017
Bachelor in Recreation and Sport Management	May 2017
Bachelor in Nursing	June 2017
Bachelor in Information Systems & Analytics	June 2017
Bachelor in Digital Film	September 2016
Bachelor of Fine Art in Studio Art	June 2016
Bachelor of Exercise Science	December 2015
Bachelor of Communication Studies	September 2015
Bachelor of Media Studies	September 2015
Bachelor of Individualized Studies	July 2015
Bachelor of Dance	July 2015
Bachelor of Chemistry	January 2015
<i>Indiana State University (Administrative (Dean/Provost) Oversight)</i>	
Safety Management Certificate	January 2014
Bachelor of Applied Science	December 2013
Genomics Certificate	October 2013

Online Bachelor of Marketing	July 2013
Doctor of Health Sciences	October 2012
Public Health Nutrition Concentration (MS)	February 2012
Gerontology Certificate	February 2012
Massage Therapy Minor	February 2012
Health Psychology Concentration	November 2011
Master of Social Work	August 2011
Occupational Therapy Master of Science	June 2011
Accelerated Nursing Degree	April 2011
Sport Management Doctoral Emphasis (C&I)	March 2011
Doctor of Physical Therapy	March 2010
Doctor of Nursing Practice	March 2010
Physician Assistant Studies Master of Science	February 2010
Health Administration Concentration	September 2009
Environmental Health Concentration	September 2009
Recreation Management and Youth Leadership Minor	December 2008

University of Northern Iowa (Lead Author)

Rehabilitation Studies Special Emphasis (Ed.D.)	May 2005
Athletic Training Master of Science	August 2003
Athletic Training Bachelor of Arts	May 2000

Courses Taught/ University of Northern Iowa:

Introduction to Athletic Training
Introduction to Athletic Training Clinical Experience
Athletic Training Administration
Athletic Training Administration Clinical Experience
Upper Body Injury Assessment

Upper Body Injury Assessment Clinical Experience
Lower Body Injury Assessment
Lower Body Injury Assessment Clinical Experience
Therapeutic Exercise
Therapeutic Exercise Clinical Experience
Therapeutic Modalities
Therapeutic Modalities Clinical Experience
Athletic Training Pharmacology
Athletic Training Seminar
Athletic Training Practicum
Pathoetiology and Orthopedic Assessment I
Pathoetiology and Orthopedic Assessment II
Evidence Based Rehabilitation Techniques I
Current Topics in Allied Health
Administration and Leadership in Athletic Training
Seminar: Athletic Training Education
Anatomy and Physiology of Human Movement
Prevention and Care of Athletic Injuries
Prevention and Care of Athletic Injuries Laboratory

Courses Developed/University of Northern Iowa

All of the courses taught and:

Emergency Care in Athletic Training
Athletic Training Pathology
Athletic Training Pathology Clinical Experience
Evidence Based Rehabilitation Practice II
Orthopedic Surgical Interventions
Critical Theories and Practices in Rehabilitation (3)
Clinical Teaching Skills in Allied Health Professions (3)

Chapters:

Chapter 9: Pelvis, Hip and Thigh. American Academy of Orthopedic Surgeons: Athletic Training and Sports Medicine 4th ed. June 2003.

Theses

Graduate:

Megan Shaw. Master Thesis **Chair** 2008. Social Constraints of Students within Undergraduate and Graduate Athletic Training Education Programs.

Shantelle Weichers. Master thesis **Committee Member** 2007. An examination of Group Agreement among Functional Ankle Instability participant Inclusion Criteria.

Tricia Haak. **Committee Member** 2007 Development and Validation of a Core Stability Model and Measures.

Abigail S. McCorkel. **Committee Chair** 2006. Athletic Training Education: A Review of Literature.

Kristin Stoneberg. Master Thesis **Committee Member** 2006. The Contribution of Socio-Economic Status and Maturity on Injury Risk in Youth Soccer.

Douglas Hess. Master Thesis **Committee Member** 2004. Effects of Trampoline Training on Balance in Functionally Unstable Ankles.

Wes Zweifel. Master thesis **Committee Member** 2004. The effect of a gym ball on three common abdominal exercises compared to a flat surface.

Scott Dack. Master thesis **Committee Chair** 2002. The Hamstring/Quadricep Strength Ratio: Is it Indicative of Hamstring Injury.

Todd Klein. Master thesis **Committee Member** 2002 in progress. A comparison of Lumbar Extension Strength of Asymptomatic Operating Room Nurses and Paramedics to the General Population Norms.

Gina Henkels. Master thesis **Committee Member** 2001. An Examination of Dynamic Postural Stability as Tested on the Biodex Stability System.

Robert Hammill. Master thesis **Committee Member** May 2001. The Effect of Stretching on Performance.

Undergraduate:

Anita Jo Blair. Undergraduate thesis **Chair** May 2000. Athletic Training Services in the Cedar Valley High Schools: A Needs Assessment.

MaryAnn Troyna. Undergraduate Thesis **Chair** May 2000. The Effects of Instructional Strategies on the Learning Styles of Student Athletic Trainers.

Research Committees

David A. Fricke & Jenna F. Graham. (Research Project **Committee Member**) Effects of Menthol-based Analgesic Balm on Knee Extensor Torque Work. (2006)

Technical/Creative Writing/Reports

President's Report: Utah Tech University (Fall, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022).

Trailblazing Distinction 2025: Strategic Plan for Dixie State University (September 2020)

Dixie 2020: Status to Stature; Dixie State University Strategic Plan (September 2015).

Vitality: A Magazine of The College of Nursing, Health, and Human Services; Indiana State University (Fall 2009, 2010, 2011, 2012).

College of Nursing, Health, and Human Services; Annual Report, Indiana State University (June 2010, 2011, 2012).

College of Nursing, Health, and Human Services; Strategic plan, Indiana State University (May 2009).

College of Nursing, Health, and Human Services; Goals, Actions & Outcomes, Indiana State University (May 2009, 2010, 2011, 2012).

College of Nursing, Health, and Human Services; Building Renovation Prospectus (May 2008) (Edited).

College of Education; Briefing Book, University of Northern Iowa (2008)

University of Northern Iowa Athletic Training Education Program CAAHEP Self Study Report (September 1, 2005).

University of Northern Iowa Athletic Training Doctoral Emphasis Proposal: Development and Submission. (January 2004)

University of Northern Iowa Athletic Training Accreditation Random Audit. (August 1, 2004).

University of Northern Iowa Athletic Training Accreditation Annual Report. (2002-2006).

Hudson, M.B, & **Williams, R.B.** University of Northern Iowa Athletic Training Education Program Approved Clinical Instructor Workshop Manual (August, 2002). Pages 1-64.

University of Northern Iowa Athletic Training Masters Degree Proposal: Development and Submission. (August 2003). Pages 1-60.

University of Northern Iowa Division of Athletic Training Proposal. Submitted March 2002. Pages 1-21. (Approved)

University of Northern Iowa Athletic Training Education Program Faculty Handbook 1-3rd ed. (1999-2002). Pages 1-105.

University of Northern Iowa Athletic Training Education Program Student Handbook 1-3rd ed. (1999-2002). Pages 1-65 and appendices.

University of Northern Iowa Athletic Training Education Program CAAHEP Self Study Report (September 2000). Pages 1-400.

University of Northern Iowa Athletic Training Major: Development and Submission. (Approved, May 2000). Pages 1-77.

University of Northern Iowa Athletic Training Education Joint Review Committee on Accreditation (JRC-AT) Candidacy Application and Submission Materials (September 1999). Pages 1-72.
