2. Closing Date and Time or Date and Time Returnable means the deadline required for the physical receipt of bids by the Procurement Office.

The definition includes these Terms and Conditions as well as any other Attachments and Amendments to the RFP/RFQ.

II. OPEN COMPETITION/RFP/RFQ DOCUMENT

1. It is the offeror's responsibility to ask questions, request changes or clarification, or otherwise advise the Procurement Office if any language, specifications, or requirements of the RFP/RFQ appear to inadvertently restrict or limit the requirements of the RFP/RFQ to a single source. Any and all communication from bidders regarding the RFP/RFQ and the procurement process must be directed to the Buyer identified on the first page of the RFP/RFQ. Such communication should be received at least five calendar days prior to the official Proposal Close Date.
2. The Procurement Office reserves the right to officially modify or cancel the RFP/RFQ after issuance. Bidders will be notified of any such modification or cancellation by issuance of an addendum from the Procurement Office.

III. CONFLICT OF INTEREST

The contractor hereby covenants that at the time of the submission of the proposal the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which could create such a conflict.

IV. PREPARATION OF BIDS/PROPOSALS

1. Failure to carefully examine the RFP/RFQ and all terms and conditions related thereto will be at the Offeror's risk.
2. Unless otherwise specifically stated in the RFP/RFQ, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
3. Bids lacking any written indication of intent to offer an alternate brand or to take an exception shall be considered to be in full compliance with the specifications and requirements of the RFP/RFQ.
4. All equipment and supplies offered must be new and of current production and available for marketing by the manufacturer unless the RFP/RFQ clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
5. Prices quoted by the offeror must remain valid for a minimum of ninety (90) days from the date of proposal opening. If the proposal is accepted, prices shall remain firm for the specified period.

V. SUBMISSION OF BIDS/PROPOSALS

1. Bids must be signed by a duly authorized representative of the offeror's organization and must contain all necessary information in the manner required by the RFP/RFQ.
2. The sealed envelope or package containing a proposal should be clearly marked with the official RFP/RFQ number and the Proposal Close Date. Bids for different RFP/RFQs should not be placed in the same envelope.
3. A bid may only be modified or withdrawn (1) by signed, written notice received by the Procurement Office prior to the Proposal Close Date and Time or (2) in person by the offeror or its authorized representative, provided proper identification is presented before the Bid Close Date and Time. Telephone requests to withdraw or modify a proposal will not be honored.
4. Bidders must, as a minimum, sign and return the RFP/RFQ cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the offeror of all RFP/RFQ terms and conditions. Failure to do so will result in rejection of the proposal unless the offeror's full compliance with those documents is indicated elsewhere within the offeror's response.

VI. QUOTATION/PROPOSAL OPENING

1. All bids will be opened at 3:00 p.m. on the date indicated. Prices will not be made available at that time and will not be made public until the evaluation is complete and an award is made.

If the Procurement Office is officially closed on the Proposal Close Date, bids will be accepted until 3:00 p.m. the next official work day and will be opened at that time.
3. Bids which are not received by the Procurement Office prior to the Proposal Close Date and Time will be considered late, regardless of the degree of lateness or the reason related thereto. Late bids will not be opened.

VII. EVALUATION/AWARD

1. An award will be made to the offeror whose proposal (1) complies with all mandatory specifications and requirements of the RFP/RFQ and (2) is the best proposal, price and other factors considered.

2. The right is reserved, as the interests of the University may require, to reject any or all bids and to waive any minor informality or irregularity in bids received. The Procurement Office reserves the right to request written clarification of any portion of the offeror's response if deemed necessary in order to verify the intent of the offeror.
3. The University reserves the right to make awards on an item by item basis, or on an all or none basis, as applicable, if deemed in the best interests of the University.

2. The contractor understands and agrees that the contract shall constitute an assignment by the contractor to the University of all rights, title, and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of, or in relation to, the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the University.

In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
4. The University reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
5. The University's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the University may have.

X. TERMINATION OF CONTRACT

1. If the University terminates the contract for any reason, the University reserves the right to obtain such equipment, supplies, and/or services from other sources and charge the contractor for any additional costs incurred as a result thereof, including attorney fees and court costs.
2. The contractor understands and agrees that funds required to fund the contract must be appropriated by the General Assembly of the State of Missouri for each fiscal year included within the contract period. The contract shall not be binding upon the University for any period in which funds have not been appropriated, and the University shall not be liable for any costs associated with termination caused by lack of appropriations.
