SETH A. HOELSCHER, Ph.D.

EDUCATION

PhD Finance, University of Oklahoma, 2016
MS Finance and Economics, West Texas A&M University, 2011
MBA Business, West Texas A&M University, 2009
BS Agriculture, West Texas A&M University, 2008

ADMINISTRATIVE APPOINTMENTS

Department of Finance, Economics, and Risk Management (FERM)
College of Business, Missouri State University
Department Head January 2025 – current
Interim Department Head November 2024 – December 2024

12-month department head role with ~$4.5M operating budget and multi-program portfolio; focus on faculty development, curriculum innovation, and external engagement.

Scope: Lead a multidisciplinary unit supporting undergraduate programs in Economics, Finance, General Business, and Risk Management & Insurance, and graduate certificates in Applied Economics, Finance, Financial Analysis, FinTech, and Quantitative Enterprise Risk Management. Departmental faculty also contribute to MBA, Executive MBA, MHA/Executive MHA programs and the General Business program on the Missouri State University China campus. Manage an annual operating budget of approximately $4.5M; oversee department operations, personnel processes, curriculum delivery, and external engagement.

Selected leadership responsibilities and accomplishments (in collaboration with faculty, staff, and college leadership):

- **People, Operations, and Budget**
  - Provide leadership for 24 full-time faculty, 9 adjunct faculty, 1 full-time staff member, 8 graduate assistants, and approximately 1,500 students
  - Manage departmental operations, including hiring, course scheduling, faculty development, annual evaluations, student issues/grievances, recruiting, and curriculum implementation
  - Supervise staff and graduate assistants; implemented regular 1:1 check-ins to improve communication and workflow

- **Faculty Hiring, Development, and Advancement**
    - Recruited and hired an instructor of business law
    - Managed a successful early tenure and promotion case to Associate Professor
    - Mentored faculty through applications for college-level professorships and endowed appointments; 4 of 7 such college-wide awards/chair appointments were awarded to tenured faculty in the FERM Department in Fall 2025

- **Curriculum and Program Development**
    - Helped lead the financial planning program's acceptance into the CFP Board Incubator Program and am cultivating major national corporate funding to support its growth
    - Guiding the development of an interdisciplinary minor combining financial services, behavioral economics, and communication, designed for psychology majors and other students outside the College of Business seeking a second major or minor, helping meet industry demand; secured support from three campus partners since Fall 2025, with the proposal forthcoming
    - Helped in the development of a FinTech degree path in partnership with the Department of Information Technology and Cybersecurity, requiring only one new FERM course while meeting clear student and market demand
    - Helped move the internship course to pass/fail to preserve rigor and reduce grade-shopping incentives; with Advisory Board input, helped create course-credit pathways for high-impact experiential learning (e.g., CFA Research Challenge, education abroad)

- **External Engagement, Partnerships, and Fund Raising**
    - Oversee three departmental advisory boards and engage external constituents to advance student outcomes and departmental priorities
    - Championed the external fundraising that launched the Biz Bears Student Managed Investment Fund (SMIF) with more than $100,000 in donor gifts, entirely external support, now approximately $500,000 in assets; oversee the SMIF Investment Advisory Board
    - Spearhead the department's Missouri State Giving Day campaigns, regularly among the university's most successful
    - Support BEAR Essentials (Building Economic Awareness and Resilience), a pro bono program launched in 2024 that provides no-cost financial guidance to students while giving financial planning majors real-world experience with mentorship from CFP® professionals; helped secure a 2027 grant from the Foundation for Financial Planning to support the program
    - Hosted external engagement events that increased student exposure and strengthened relationships

- Hosted joint GIS Alpha Lambda Chapter and Ozark RIMS Chapter meetings on campus; resulted in approximately $10,000 in program support for student travel and scholarships
- Organized and hosted FM Global Visit (student engagement/employer exposure)
- Strengthened transfer pathways and partnerships
- Updated transfer plans with Ozarks Technical Community College
- Established an articulation agreement with The American College of Financial Services, enabling eligible credits to apply toward advanced professional designations (e.g., ChFC®, CLU®, RICP®)
- Signed a partnership agreement establishing Missouri State University as the official university partner of the Mid Rivers Risk Forum

- **Strategic Initiatives and Departmental Grants Awarded**
  - Grew majors in finance, economics, and risk management for two consecutive years (538 in Fall 2024 to 563 in Fall 2026, +4.6%) in a challenging recruiting environment
  - Department ranked as Missouri State's most popular academic destination for first-time transfer students in Fall 2026 (17.4% of incoming transfers)
  - CFP Board Incubator Program (grant development and enrollment growth initiative)
  - Foundation for Financial Planning 2027 Grant Award in support of BEAR Essentials
  - Spencer Foundation's Risk Manager on Campus (RMOC) program
  - Spencer Foundation's General Grant Award in support of travel to RISKWORLD, WSIA Symposium, and GIS' Annual Conference
  - Summer Faculty Fellowship Grant for an Assistant Professor

- **Academic Integrity and Responsible AI**
  - Chartered the FERM AI Committee (Fall 2025); first-year charges completed: a department-wide inventory of AI use in teaching, research, and administration, and recommendations to the Department Head on AI literacy, resource needs, and ongoing review
  - Completed all three 2026–27 charges (September 2026): a needs assessment for an enterprise-level AI license addressing data-security, privacy, and intellectual-property risk; a written platform recommendation; and a departmental AI-use policy and faculty agreement. Now leading a fourth charge documenting the curriculum for AACSB and reviewing how to incorporate changing technologies
  - Led pilot of live online proctoring (ProctorU); co-chair a cross-campus stakeholder workgroup on online proctoring platforms, with college-wide and university-wide implementation in progress for a Spring 2027 launch to improve academic integrity while reducing student anxiety and returning time to faculty

ACCREDITATION AND PROFESSIONAL DEVELOPMENT

AACSB Continuous Improvement Review (CIR) Seminar (Americas), September 2026

AACSB Professional Development: Assurance of Learning in the AI Era; Rethinking Business Education in the Age of AI; Navigating AACSB's New Global Standards for Business Education; AI-Ready Business Schools: Strategies, Lessons, and the Road Ahead, 2025–2026

Ederington Finance Fellowship, University of Oklahoma (Price)
Graduate Student Senate Travel Grant, University of Oklahoma

2013 *Michael F. Price College of Research Support Fellowship,* University of Oklahoma (Price)
Ederington Finance Fellowship, University of Oklahoma (Price)
Semi-finalist for Best Paper Award, Financial Management Association
Alley Rayonier International Travel Grant, University of Oklahoma (Price)

2012 *Ederington Finance Fellowship,* University of Oklahoma (Price)
Graduate Teaching Academy Scholar, University of Oklahoma
Doctoral Student Summer Research Fellowship, University of Oklahoma (Price)

TEACHING

Scope: Broad undergraduate, graduate, and executive teaching portfolio in investments, financial markets, international financial management, and corporate finance, with a consistent emphasis on critical reasoning and application. Typical course enrollments are 40–45 students, with course-size experience ranging from single digits to 80+ students.

Missouri State University | College of Business (Undergraduate and Graduate; 2016 – current)

Courses: Financial Management (UG and Graduate)
Financial Markets and Investments (UG)
Financial Research and Portfolio Management (UG and Graduate | SMIF)
Investment Management (EMBA)
Investments (UG)
Independent Studies and Internships (UG and Graduate)
Directed Study for CFA Level I Exam (UG and Graduate)
General Business program, Missouri State University in Dalian, China: Investments (Fall 2019; Fall 2020 and Fall 2021, remote)

University of Oklahoma | Price College of Business (Undergraduate; 2012 – 2016)

Courses: Financial Intermediaries and Markets (UG)
International Financial Management (UG)

Teaching Effectiveness: Student evaluations average 4.5/5, consistently among the strongest in the department *(detailed evaluations and evidence of teaching effectiveness available upon request)*

Modalities: Seated, online, hybrid, and executive delivery
