

Distance Education Committee Meeting

January 23, 2020 Meeting Minutes

Approval for meeting minutes from November 21, 2019 suspended until February meeting.

Committee members were encouraged to attend the Strategic Enrollment Management Townhall Meeting on Wednesday, January 29, 12:15-1:15 in the PSU Theater.

The Survey of Online Students will be sent to all SP20 students taking online courses. Survey open from March 23 to April 13. As the target group, students with previous enrollment in Missouri State online courses will provide the data used for survey results. Students who complete the survey can choose to participate in a drawing for gift cards from the MSU Bookstore.

Committee members were asked to share survey timeline and purpose with their college's administration and faculty. It was suggested that additional useful information could be collected in a future survey sent to students who have no online courses.

Preliminary discussion of development for Graduate Online Student Survey set a development date for FA20 and launch in SP21. Graduate College will be asked to assist with survey development.

Other business, general discussion:

Progress of using EvaluationKIT surveys to replace paper copies continues. CNAS now completely converted to using online surveys for all courses. Pilot programs can be requested, with Lacey Geiger providing start-up support and training for designated college-level administration.

Status of online course redevelopment stipend is ongoing; FCTL time resources at capacity with current activity.

Dismissal

Attendees:

Jessica Bennett
Stephanie Hein
Lacey Geiger
Richard Johnson
