XL stands for Crosslist. If you have a crosslist on a section in Admin Banner-SSASECT, you will see the crosslist cap (maximum enrollment for the crosslist NOT the section), actual and remaining listed here.

Same as Admin Banner-SSASECT, Meeting Location and Credits Tab, Instructor Section

This is the same as BOTH the building and room that has been entered on the Meeting Location and Credits tab, Admin Banner, SSASECT

Instructor	Date (MM/DD)	Location	Attribute
Amanda C Brodeur (P.)	08/19-12/12	GLAS 0101	Service Learning - Designate

These dates are the dates listed on the Meeting Location and Credits tab for the Meeting Type entered on a section in Admin Banner-SSASECT. Most of the time these dates also match the part of term, but if the section scheduled with dates that are included in the start and end date of a part of term, those dates will show instead.

If a section has an attribute, the attribute will be listed here. There are many attributes. These attributes are listed in Admin Banner-SSADETL. Attributes are indicators for the class schedule search only, they do not guarantee that supplemental course fees or enrollment fees have been charged to this section. Builders cannot update attributes in Admin Banner. See the Assistant Registrar for assistance.

The ADVANCED SEARCH feature of the class schedule search is also directly related on how/what has been built in Admin Banner.

Advanced Search

Before You Begin Your Search	- Check the list of course number changes. 500-level courses are for undergraduate credit only. Most 500-level courses have parallel 600-level courses designated for graduate students.
Before You Register	- Check your Registration Status. Clear up any issues preventing registration. - Use the Trial Schedule Builder to create a prospective schedule for any open semester.
