## RESEARCH

- 2021 *Isabel’s House Crisis Nursery*  
Worked with students to conduct an annotated review of literature on marginalization, domestic violence, parental stress, and adverse childhood experiences, among other topics to inform policy creation and support staff education at Isabel’s House.
- 2019 *Legal Services of Southwest Missouri*  
Designed a survey to assist the Board of Directors at the Legal Services of Southwest Missouri (LSSM) in determining the civil cases that should be handled based on the legal needs of the low-income population.
- 2019 *Center for Community Engagement*  
Assisted with the design of a survey to gather information about students' perception of and experience with food insecurity.

- 2018-2019 *Isabel's House Crisis Nursery*  
Developed three surveys to be administered to clients, volunteers, and board members and community partners to assess the perceived strengths and development objectives of Isabel's House, its staff, and services.
- 2015-2017 *Center for Innovation in Teaching and Learning, UIUC, Advisor: Maryalice Wu*  
Assisted with the design of survey instruments, data analysis, and report writing for the Graduate College and the College of Liberal Arts & Sciences. Research topics related to campus climate, diversity and inclusion, career and professional development, and student experiences with online courses.
- 2013-2017 *Coursera Records, PI: James Witte*  
Analyzed qualitative open-end survey answers from students worldwide in an effort to improve the design of Coursera courses and understand the significance of Coursera offerings as an educational phenomenon.
- 2013-2015 *Educate to Innovate, PI: Debasish Dutta*  
Led the qualitative analysis of 60 interviews conducted with American innovators. These interviews were followed by a workshop which was held on October 22-23 at the NAE Washington, DC. Results from this research are documented in a publication by the National Academy of Engineering (<http://www.nap.edu/catalog/21698/educate-to-innovate-factors-that-influence-innovation-based-on-input>).
- 2011-2015 *Research Consultant, UIUC, Advisor: Maryalice Wu*  
Consulted students and faculty in statistical and qualitative programs and methods; assisted with the development of survey instruments.
- 2011 *Menstruation and the Cycle of Poverty, Uganda Project, RPI: Maryalice Wu*  
Designed and programmed surveys which examined the effects of sanitary care on girls' educational attainment and explored links between menarche and vulnerability to education, safety, economic risks, and reproductive health.
- 2010 *Office of Diversity and Inclusion, HSU. Advisor: Rahda Webley*  
Transcribed focus group interviews.
- 2009 *Tobacco Curriculum Evaluation, Humboldt County's Department of Health and Human Services. Advisor: Judith Little*  
Assessed the effectiveness of a tobacco curriculum implemented in local schools using SPSS.
- 2009 *Engineering Curriculum Evaluation, HSU. Advisor: Beth Eschenbach*  
Assessed the effectiveness of a program initiated to encourage minority interest in pursuing college after graduating that was implemented at the only public school located on a Native American reservation in California. Created an SPSS database and facilitated focus groups.
