

DNA CAMP 2026

**Explore Biomedical Sciences
at Missouri State University**

June 20-23, 10am-3pm
9TH -12TH GRADERS

REGISTER HERE

- Conduct a hands-on research project with Biomedical Sciences faculty
- Extract DNA and learn cutting-edge techniques like PCR
- Analyze and present their own scientific data
- Explore DNA, genes, anatomy, and the building blocks of the human body
- Have fun while discovering how science connects to medicine and human health

**Perfect for curious students interested in science, medicine, or research —
no prior lab experience required!**

\$40 registration fee

**Contact Randi Ulbricht for
more information**
