Math Placement Exam (MPE)

The MPE has three parts:

Part 1 assesses your readiness for the following courses:

- MTH 130: Contemporary Math
- MTH 134: Algebraic Reasoning and Modeling
- MTH 136: Precalculus I

Part 2A assesses your readiness for the following courses:

- MTH 137: Precalculus II
- MTH 138: Precalculus Mathematics

Part 2B assesses your readiness for the following courses:

- MTH 261: Analytic Geometry and Calculus I
- MTH 287: Computational Calculus I

You need not complete all three parts but are encouraged to do so if you want to be eligible for higher math courses.

No calculators are allowed and the exam can only be taken once.

To register for the MPE use the QR code below and schedule your exam.
