

Share Talent

2025-26 Accomplishments:

- **Initiated Employer Outreach Road Shows** – Impact: President Williams kicked off meetings with employers to learn about talent needs and assess areas of opportunity for the University
- **Piloting Handshake for Student Employment in partnership with Career Center** – Impact: Employers and Mo State students have one location to provide and search for job opportunities off campus
- **Provided technical business support** – Impact: Brought technical & business support to employers across the region and expanded statewide through the Show-Me Network
- **Grew and improved student focused programs** – Impact: Community Engagement Intern Program & efactory Entrepreneurship Intern Program have provided students with meaningful work experiences and provided the startup and non-profit employer community with access to Mo State talent

Looking Ahead:

- *Seeking and incorporating employer feedback is critical to success*
- *Growing existing successful programs and using proven models for the development of new programs*
- *Cross campus collaboration and partnership*
