Motion: Statement of Automatic Reset of Total

Total is the allowable chapter size as determined by the College Panhellenic.

To allow chapters to achieve parity as quickly as possible, total will be automatically adjusted every regular academic term. This is to be done no later than 72 hours following bid distribution in the academic term that primary recruitment is held and within one week (no more than seven days) from the start of the academic term(s) in which primary recruitment is not held. Total will be determined by largest chapter size plus 10.

Currently median chapter – 137

Quota – 36

Would make total 173
