❖ **New Member Dues:**

- \$400
- Due late October

❖ **Semester Dues:**

- \$475 throughout the semester
- \$450 upfront

Actives heading into the fall semester have the option to pay annual dues upfront at a discount:

- \$950 throughout the year

By default, dues payments are scheduled in three rounds throughout the semester. Members must pay each round by the due date to maintain the full benefits of being a member.

Alternatively, members can develop personalized payment plans alongside chapter leadership. These payment plans can defer from the default schedule and must be consistently maintained.
