- F. VP of Community Relations Morgan Mesle reported:
- i. Hey everyone!! I don't have an update on the Vaccination drive like I was hoping to, but that will be different next time we meet!!
 - ii. I have prepared a slide show about FSL week of service that I want you all to share with your chapters at the next meeting you have! There are some really important things I would like you to stress to them, so there will be bullet points in the minutes to be key information in your own presentations.
 - i. FSL week of service will be held Tuesday to Tuesday: November 16th through November 23rd!!
 - ii. This is right before we leave for Thanksgiving break so GIVE THANKS by GIVING BACK
 - iii. Each service hour entered to Campus link that was completed within these dates will be counted towards your chapter's hours per member ratio: THERE WILL BE PRIZES!!
 - iv. Please utilize GivePulse.com!!! Opportunities and events are organized by location and date and you are able to filter how far you are willing to travel for a service opportunity.
 - v. There will be 2 planned events: we have gotten in contact with the Drew Lewis Foundation and Habitat for Humanity, however all other service should be completed as members wish.
 - vi. I will be updating this powerpoint as more information comes out about these planned events
 - vii. Along with physical hours, members can also give back by donating to Bear Pantry and the Transition Closet.
 - a. Donation of 10 items = 1 service hour.
 - b. Maximum of 2 service hours per member from donations
 Descriptions of these resources: -
 - viii. Transitions Closet: Started in 2016 on Missouri State's campus as a place for members of the community that are going through life transitions to add to their wardrobe. This includes but is not limited to: Transgender students beginning or continuing to change clothing choices, international students transitioning into the US from abroad, and students preparing to transition out of Missouri State into full-time employment
 - ix. Bear pantry: a member of College and University Food Bank Alliance, Focused on alleviating food insecurity, hunger, and poverty among college and university students in the US.

- x. Convoy of hope is not a technical planned event, but since FSL week of service is from Tuesday to Tuesday there are TWO days that members can earn 2 hours of service.
 - iii. As we approach FSL week of Service, I will be updating this powerpoint with more opportunities I find, either on givepulse or elsewhere and I am hoping that you all share each new opportunity with your chapter as I send them out. I will be updating weekly and the list will be sent out to you all.
 - iv. Stress the importance of service to your chapters. Maybe have your Community Service position share what service means to them, and why they think our members should strive to complete as many hours as possible. Have fun with this presentation and help your members to see that Community service is a fun way to get involved in the community, and not just a requirement for their chapters.
Thanks y'all!!! Have a great week!
