Please consult with an MSU transfer advisor to determine your best degree options.

This information is provided as a guide only.

- State Fair students are strongly encouraged to meet with their major specific MSU transfer advisor early in their State Fair education to discuss the most appropriate State Fair coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., State Fair).
