OZARKS TECHNICAL COMMUNITY COLLEGE

OTC Associate of Arts in Teaching to

MSU Bachelor of Science in Education - Family and Consumer Science Education

The following is a guide to graduation with completion of OTC's Associate of Arts in Teaching and MSU's Bachelor of Science in Education degree.

The B.S. in Education may be completed on campus only.

The Education degree is a comprehensive major meaning it does not require completion of a minor.

Courses are sequenced to provide guidance and to help ensure that prerequisite requirements are met.

This information is provided as a guide only.

- OTC students are strongly encouraged to meet with their major specific MSU transfer advisor early in their OTC education to discuss the most appropriate OTC coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., OTC).
