*Courses are sequenced to provide guidance and to help ensure that prerequisite requirements are met.*

Catalog Year: 2021-2022

**Crowder Associate of Arts in Information Technology to  
MSU Bachelor of Science in Information Technology  
(IT Infrastructure Track)**

The following is a guide to graduation with completion of Crowder's Associate of Arts in Information Technology and MSU's Bachelor of Science in Information Technology (IT Infrastructure Track)  
The degree may be completed on campus or online.

*The Information Technology degree is a comprehensive major meaning it does not require completion of a minor.*

**Crowder Year 1 Semester 1**

**This information is provided as a guide only.**

- Crowder students are strongly encouraged to meet with their major specific MSU transfer advisor early in their Crowder education to discuss the most appropriate Crowder coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., Crowder).
