Catalog Year: 2022-2023

State Fair Associate of Arts to
MSU Bachelor of Science in Information Technology - Application Development

The following is a guide to graduation with completion of State Fair's Associate of Arts and MSU's Bachelor of Science in Information Technology - App Development.
The B.S. Information Technology degree may be completed online or on campus.
The B.S. in Information Tech is a comprehensive major meaning it does not require completion of a minor.

State Fair Year 1 Semester 1

** Electives provide the opportunity to customize your degree program. Some elective credits may or may not be needed to bring total credit hours to a minimum of 120 credit hours and upper division hours

This information is provided as a guide only.

- State Fair students are strongly encouraged to meet with their major specific MSU transfer advisor early in their State Fair education to discuss the most appropriate State Fair coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., State Fair).

Important notes about this MSU major:

- ▲ Globalization requirement – May be met by completing one of the following options: Completion of a full-semester of study away experience; Completion of three hours of foreign language as above noted; Completion of a study abroad internship; Completion of an international short-term MSU faculty-led program; Completion of three hours of foreign culture courses as above noted. The study away, study abroad internship and faculty-led program options require preapproval.
- *Courses are Admission Requirements to MSU's College of Business.
- Students must get a "C" or higher, in College Algebra (State Fair's MTH 114), if ACC 201 & QBA 237 are taken at MSU.
- Admission to the College of Business is separate from admission to the University. Students must have completed at least 54 hours (MSU and/or transfer), have at least a 2.50 cumulative GPA (MSU and/or transfer GPA), and completion of at least 10 of the 12 admission courses denoted above. Up to two of the above denoted admission courses may be completed during the semester of admission; however, students should make every effort to complete all of the denoted courses prior to admission to the College of Business.

GPA requirements include a minimum 2.00 Missouri State GPA and a minimum 2.50 combined GPA to apply for admission to the College of Business.
