<b>Total Hours Overall</b>			<b>125</b>

\*\* Electives provide the opportunity to customize your degree program. Some elective credits may or may not be needed to bring total credit hours to a minimum of 120 credit hours and upper division hours (300+) to 40.

⇨ MSU-WP course taken during the MSU-Springfield semesters. Students will need to obtain and turn in a Consortium Agreement for Financial Aid or centralize their billing.

**This information is provided as a guide only.**

- MSU-WP students are strongly encouraged to meet with their major specific MSU transfer advisor early in their MSU-WP education to discuss the most appropriate MSU-WP coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., MSU-WP).

**Important notes about this MSU Major:** 125 total credit hours for both the AAT and the BSSED degrees. You must start at MSU in the final term of your Associates Degree. The course work is blended between the two institutions. You do not need to finish your AAT before beginning MSU-Springfield, but to complete your General Education Requirements you must complete your Associates Degree.
