♦ Needed to fulfill Bachelor of Arts requirements at MSU, click here for the complete list: [BA Requirements](#)

The courses listed were specifically chosen to meet Core 42 requirements and simultaneously fulfill MSU's 27-hour core of courses required of the Bachelor of Arts degree. This is a non-comprehensive major and therefore requires a minor field of study or a second major to be completed.

**This information is provided as a guide only.**

- OTC students are strongly encouraged to meet with their major specific MSU transfer advisor early in their OTC education to discuss the most appropriate OTC coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., OTC).
