Admission to this major is in addition to admission to the university. Discuss all admission requirements with the MSU transfer advisor, including the following:

- Completion of a minimum of 45 hours with a combined GPA (Missouri State and transfer) of 2.50 or higher on a 4-point scale.
- Attending the required BSW Information Meeting. For dates, go to the Social Work Website.
- Submitting a formal application, with accompanying forms, to the School of Social Work office. Applications for admission to the Program will be available online. Verify the application due dates with the MSU Transfer Advisor as dates can vary.
- Admission is competitive and selective and not all who apply can be accommodated. Meeting the minimum standards does not guarantee a student will be admitted.

This information is provided as a guide only.

- Jefferson College students are strongly encouraged to meet with their major specific MSU transfer advisor early in their Jefferson College education to discuss the most appropriate Jefferson College coursework for their intended MSU major, MSU degree requirements, etc.
- Students are required to fulfill MSU graduation and GPA requirements to receive a degree and should consult with their MSU advisor and the MSU undergraduate catalog for details, as there may exist pre-requisite requirements as well as periodicity limitations that could affect scheduling sequences.
- Please note that transfer students from Missouri public colleges and universities may follow the general education and general baccalaureate degree requirements in effect at Missouri State when they first enrolled (or re-enrolled after an absence of one calendar year or more) as degree-seeking students at the institutions from which they transferred (e.g., Jefferson College).
