This document was prepared by the Mo State Academic Advising and Transfer Center in conjunction with Mo State Biology Advisor in April 2026 and is subject to change. This information is provided as a guide. Students are required to fulfill Mo State graduation requirements to receive a degree and should consult their Mo State departmental advisors and the Mo State undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow Mo State graduation requirements in effect when the student first enrolled at their transfer institution (Ozarks Tech).
