MSU Bachelor of Science: Community and Regional Planning

Comprehensive major - a minor is optional/not required

Accelerated master's degree is available.

The following is a guide to graduation for MSU's Bachelor of Science degree in Community and Regional Planning. Include the below OTC classes in your OTC Associate of Arts course planning as each class transfers and helps meet an MSU degree requirement for this major:

OTC Course	MSU equivalent
GRY 101	GRY 100
PLS 101	PLS 101
MTH 210 or PSY 220	MTH 340 or PSY 200

Although a minor is not required, it is possible to complete the major and an additional minor or undergraduate certificate in four MSU semesters. Please discuss with the MSU Community and Regional Planning Advisor.

This document was prepared by the MSU Academic Advising and Transfer Center in conjunction with MSU's Community and Regional Planning Advisor on December 2, 2025 and is subject to change. This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU departmental advisors and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
