Missouri State Bachelor of Science: Geography and Sustainability - Sustainable Watershed Management Option

Comprehensive major - a minor is optional/not required

Accelerated master's degree is available.

The following is a guide to graduation for Missouri State's Bachelor of Science degree in Geography and Sustainability-Sustainable Watershed Management. Include the below classes in your Ozarks Tech Associate of Arts course planning as each class transfers and helps meet a Missouri State degree requirement for this major:

Ozarks Tech Course	Mo State Equivalent
GRY 101	GRY 100
MTH 210 or PSY 220	MTH 340 or PSY 200
BIO 100 or BIO 160	BIO 101/111 or BIO 121
AGR 114	AGN 115

All Geography and Sustainability majors are encouraged to complete the Globalization and Sustainability undergraduate certificate. It is possible to complete the major, minor (required or optional), and certificate in four Missouri State semesters. If interested in completing an additional undergraduate certificate, discuss with the Mo State Geography and Sustainability advisor.

This document was prepared by the MSU Academic Advising and Transfer Center in conjunction with MSU's Geography and Sustainability Advisor in April 2026 and is subject to change. This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU departmental advisors and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
